

LIFE SAFETY

OVERVIEW

K&D Pratt prides itself on its understanding of technology. We have the know how to understand where products fit and where they do not - from a technical and a business plan stand point. From upgrading to new systems to augmenting existing systems we provide the expertise for a complete, full service solution.

INDUSTRY EXPERIENCE

K&D Pratt has been serving Atlantic Canadian industry for over 85 years with products, solutions and technical expertise to customers in the contracting, fire, marine, government, manufacturing, mining, telecommunication, transportation, utility and oil & gas sectors. Our experienced employees are trained and certified to applicable industry and supplier standards for a variety of environments.

QUALITY ASSURANCE

K&D Pratt considers health, safety, environmental protection and quality (HSEQ) to be integral parts of its business management. On March 9, 2015, K&D Pratt reached 2000 days of no lost time due to our company wide commitment to our safety culture. K&D Pratt is registered to ISO 9001:2008.

K&D Pratt Safety Awards Program

Reward your employees for strong safety records and good work ethic. With K&D Pratt Employee Rewards, your employees can collect points and redeem them for purchases in our rewards portal.

Go to www.kdpratt.com for more information.
