

The background of the image is a photograph of a harbor scene. In the foreground, a large oil tanker with a yellow and white structure is being towed by a tugboat. In the background, a city skyline is visible across the water, with a large, flat-topped mountain (Table Mountain) rising behind it. The sky is a clear blue.

DARON

By your side since 1959

About Us

Daron Group is Africa's Leading Ship Chandler and Provider of Food and Technical Goods & Services across Industries

We pride ourselves on being reliable in all the services that have stemmed from our core business over the years. Since 1959, this client-first approach has seen our business grow and our partnerships thrive; and we plan for this approach to continue for as long as our Group operates into the future.
