J&D Ship Services is one of the leading suppliers of personal protective equipment to the marine industry or to companies servicing the marine industry of South Africa. We also offer an exclusive range of specialised services and products making us a very competitive and competent African link.

We handle everything from technical, deck, engine, cabin, bond stores and provisions for Ships to transportation, storage, warehousing, clearing & forwarding, imports & exports, packing & crating, CO2 elevation and hiring of distribution boards & generators and General Supply Chain.

Established in 1999, we pride ourselves for being an owner managed family business and therefore have conducted extensive research to determine our client's knowledge levels, wants, and needs. In doing so, we are committed to making you, the client, our number one priority. Commitment to quality and the dedication of family and our workforce assure you of a professional solution to your needs.

Our operations are run from Cape Town, South Africa. We are located very close to the Cape Town port, and about an hour from Simon's Town and Saldanha Bay ports. We also serve Durban, Richards Bay, Mossel Bay, Port Elizabeth, Coega and East London ports.

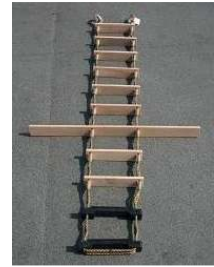

Our Private clients include Maersk Group, MSC, etc and Government clients include Transnet, Samsa, City of Cape Town, WC Government, etc.
