

EH ENGINEERING

EH ENGINEERING CO., LTD.

<http://www.eheng.co.kr>

Greetings

EH Engineering is launching a New Take-off

We promise you a new take-off with our ceaseless passion

Thank you very much for your concerns

Since January 2004, EH Engineering has been supplying customers with ship parts and groceries.

As a true TOTAL MARINE SERVICE PROVIDER, EH Engineering supplies customers with highest satisfaction in addition to the ship parts and groceries on the basis of our rich experience and know-how on sailing

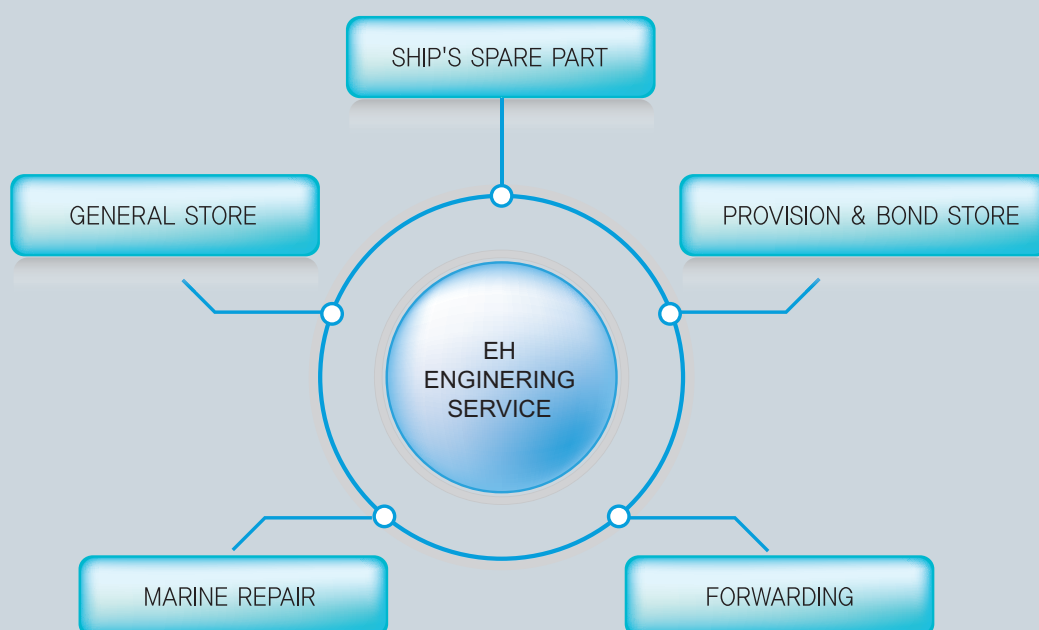

Dear Customers,

Our management philosophy is to satisfy customers with sincerity and confidence. We will keep endeavoring to become a global service provider for you.

Thank you

C. H. JANG
Managing director
