

Your Trusted Supplier at All Egyptian Ports

ABOUT US:

Golden Ocean Marine Services co. started the business as an importer of technical marine stores. Within three years, Golden Ocean became the source and main destination for all chandlers who are looking for reliable vendor who can understand vessel's needs.

At the moment, Golden Ocean is **No.1** global ship supplier in Egypt.

With a fleet of **29** Cars, **7** Boats, **14** Warehouses and **9** Offices all over Egypt and around the world, We have the capability of providing all the supplies and services your vessel may ask for. Our fully qualified and experienced team is waiting to serve you **24/7, 365** days a year.

OFFICES AND PORTS

📍 **Our offices are located in:**
Egypt, UAE and China.

📍 **We can serve you in:**
Egypt, UAE, India, Panama,
Turkey and China.

OUR SERVICES

- Technical Ship Stores.
- BA Charts & Publications.
- Medical Services.
- Catering (Provisions & Bonded stores).
- Repair, Inspection and Calibration.
- Agency Services.
- Logistic Services (Ship spares in transit).

Technical Stores:

We can provide your vessel with more than 50,000 items included in IMPA and ISSA Catalogs. Which made us able to supply our customers' vessels with the correct products on time and at a competitive price.

BA Charts & Publications:

We have a comprehensive selection of nautical books, navigational publications and charts. We offer British Admiralty publications and authorized to print BA digital charts on demand by using our digital chart printer.

Medical Services:

We are licensed by the Ministry of Health to supply medicines, narcotics, and essential medical equipment as well as the filling and renewal of oxygen cylinders.

- Our dedicated medical center provides Medical Chest Certificate renewals.
- To support efficient ship inventory management, we include detailed sheets with scale codes and expiry dates.
- Our owned cooling room in metal boat, and our temp-controlled cars ensures that all medicines are transported under optimal conditions.
- Every shipment is carefully packaged in protective boxes to prevent damage and guarantee safe delivery.
- We also handle the responsible disposal of expired medicines and manage the import and export of medical shipments.

Catering:

At Golden Ocean, we are continuously improving our catering services to provide the highest quality, efficiency and care for both crew and environment. Here are the latest updates from our operations:

■ **ISO Certification, A Commitment to Excellence:**

We are certified with **ISO 22000** for Food Safety Management, **ISO 7558** for Packaging and Storage of Food Products and **ISO 10393** for Guidelines for Product Recall (ensuring traceability and consumer protection).

■ **Fully Equipped Metal Boat & Refrigerated Transport:**

Our metal supply boat is outfitted with advanced cooling rooms and freezers allowing us to safely store and handle provisions directly on board.

■ **Freezone Provisions Warehouse:**

We operate a dedicated Freezone warehouse a stock of wide variety of imported provisions from multiple countries.

■ **Crew-Friendly Labeling System:**

Each item is now labeled with its name, weight, and expiry date making it easier for crew members to identify and manage provisions on board.

■ **As a member of IMPA SAVE, we're always committed to sustainability solutions such as:**

- Multi use jumbo ice boxes to reduce waste of one use foam boxes.
- Echo-Friendly deinking fresh water in Tetra Pak packing.
- 100% Biodegradable wrapping film.

Technical Services:

We are specialized in ship repair, maintenance, and vessel inspections, ensuring reliable service and minimal downtime with a focus on safety and compliance.

Agency Services:

We're happily providing all kinds of agency services all over Egypt.

- Suez canal Transit services.
- Crew Change.
- Vessels Husbandry services.
- Garbage & Sludge removal.
- Bunker Supply services.

Logistics Services:

Our specialized wide range logistics services include:

- Ship's Spares in transit customs clearance in less than 8 working hours, storage and delivery onboard your vessels in all Egyptian ports.
- Landing of spares from vessel & forwarding them to desired destination by most convenient mode of transport.
- Collection of Fuel Oil, Lub Oil and other samples from vessels and forward them to global laboratories for analysis.
- Landing and shifting of spares from one vessel to another in all Egyptian ports.

CERTIFICATES/PARTNERS:

All certificates are upon your request.
