The Sea Is a Passion.  
**One That Connects Us.**

**360** PRO

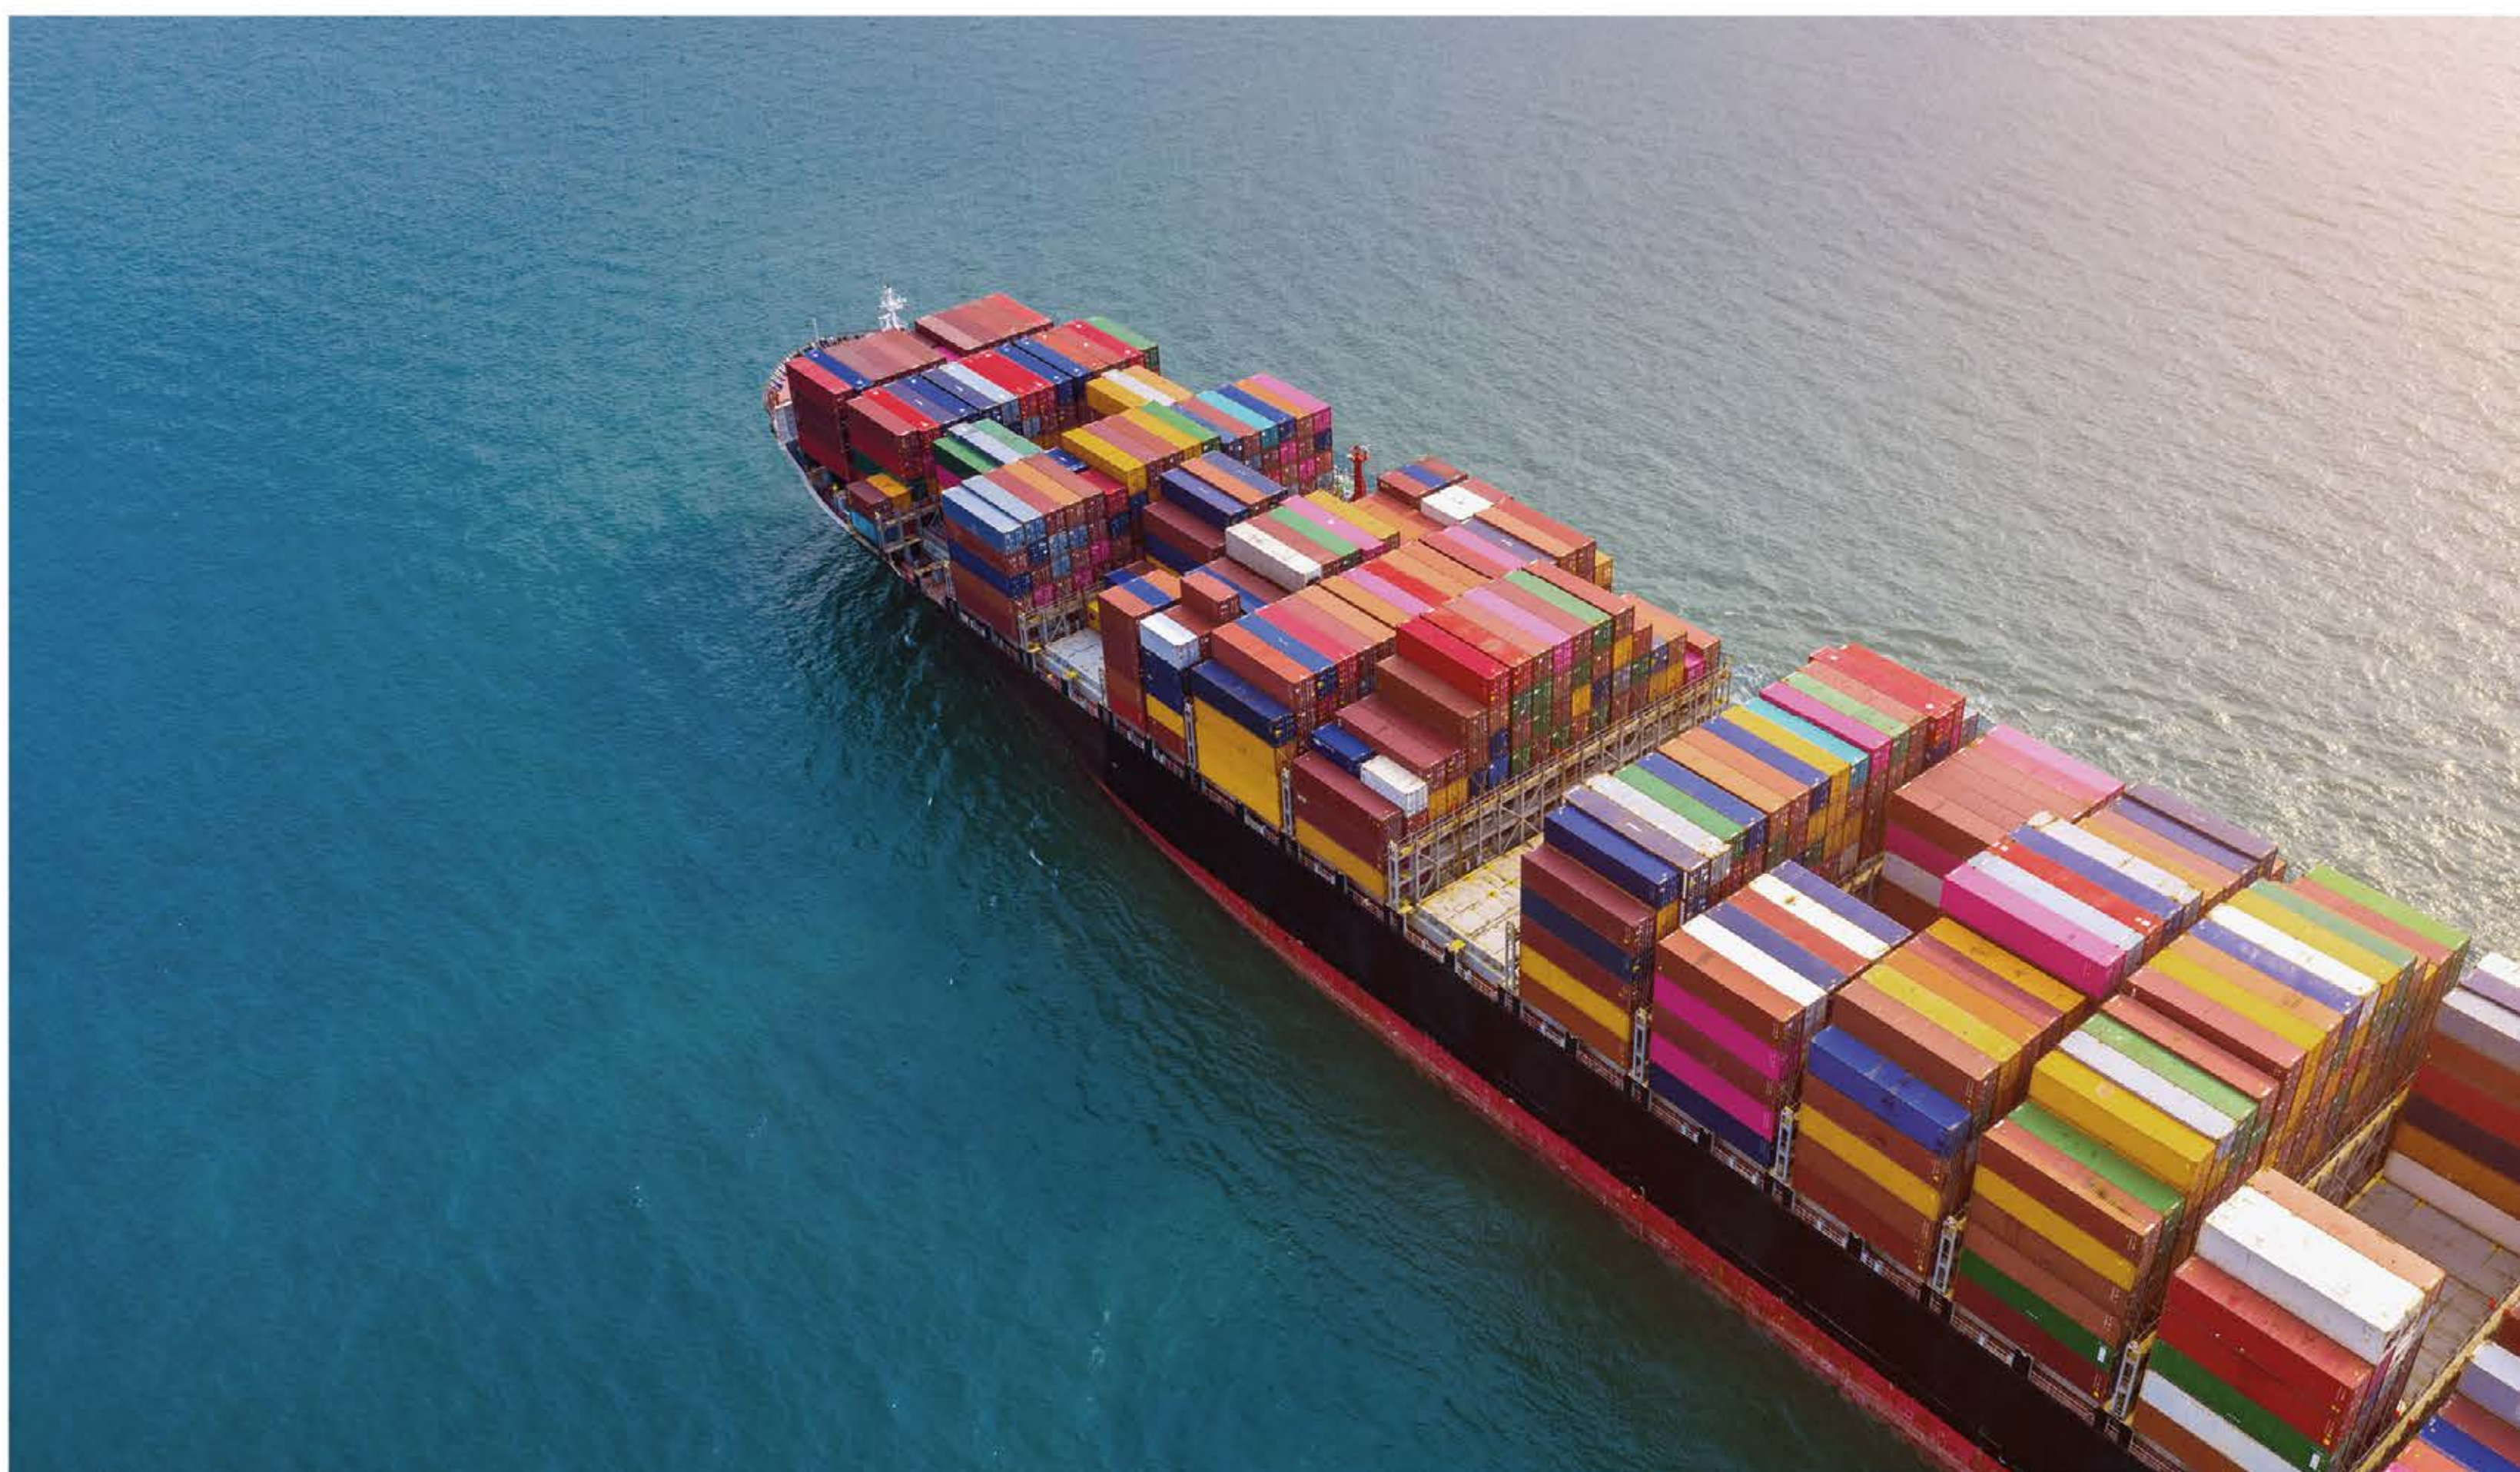

”

**We are mariners.** No matter whether we are on a sailing yacht or an oil rig, a cruise liner or a pleasure craft: The sea has its own laws. With Miele 360PRO, I can not only rest assured that all components are able to cope with the roughest of conditions. But also that all individual components are carefully coordinated and simplify the crew's job. Everyone on board

**can concentrate on what really counts.**

# 6 Reasons Why Miele 360PRO Is Your Safe Harbour.

For over 50 years, customers have relied on Miele when away from the mainland.

Let us show you how our holistic approach can drive your business forward on the high seas.

## 01

### **Made for the oceans**

A variety of voltage versions, a robust build and special programs guarantee the best possible results under all maritime conditions. Because hygiene on board has top priority.

## 02

### **True Innovation**

The Miele WetCare process is an environmentally friendly, alternative method of cleaning without the use of organic solvents. Our water-based solvents, like other detergents, can be treated together with grey water.

## 03

### **Economical meets sustainable**

The low energy and water consumption of our machines ensures economy in operation. Additionally, a long service life minimizes the ecological footprint of products and reduces planning effort.

## 04

### **Highest level of protection**

Miele Professional machines comply with industry standards. For maritime use, they are additionally certified by Lloyd's Register\*. For the maximum safety of your crew and passengers.

## 05

### **International**

Mariners speak the language of the seas. All other languages can be quickly and intuitively selected at our machines. This ensures the simplest of operation for international crews in all waters.

## 06

### **Reliable worldwide**

Miele service, spare parts and new machines are available in the next port and our warranties are valid worldwide. Thanks to our global network, you can soon cast off once again.

# Best Service — **Only a Port Away.**

If maintenance or repairs are necessary along your route, rest assured that with us your commercial machines will be back on course in no time. We guarantee that you will always enjoy first-class, comprehensive and accessible service at all times. Even during the planning phase, we work closely with shipyards and other experts in the industry to ensure a smooth and hassle free process. Thanks to our steadily growing network, we can offer you top-class Miele service, machines and spare parts in almost any port. Another benefit: No matter where you purchased your machine, our warranties apply internationally.

Miele Professional. Immer Besser.

**Miele**

# Immer Besser. For a Sustainable Future.

'Immer Besser.' has been our philosophy since 1899. It is the inspiration behind our development. It motivates us to continuously improve our products and solutions so that you can benefit from durable and energy-saving machines which make your cruise more sustainable and more economical.
