

MARINE TOUCH-UP SOLUTIONS

HIGH-PERFORMANCE COATINGS IN EASY-TO-USE PACKAGING

Your vessel represents your brand, so maintaining the aesthetic appearance and color of your fleet is an ongoing concern. Touch-up work is inevitable but doing it should be fast, efficient and to the exact specifications of your fleet's OEM coating system.

You shouldn't have to settle for inferior performing products just because they are readily available and easy to use. Look no further than Sherwin-Williams to get the same protection and longevity from the high-quality epoxy coatings that were applied to your vessel at construction. Our touch-up solutions deliver two-component coatings in easy-to-use packaging so anyone on your crew can perform fast and high-quality touch-ups.

BENEFITS

Application Time Savings

- Increase productivity with easy-to-use packaging
- Eliminate the need for heavy spray equipment setup
- Minimize pot-life constraints

Cost Effectiveness

- Decrease rework caused by off-ratio mixing
- Use only the paint you need with the ability to reuse unused product
- Reduce costs associated with disposal of wasted product

Extended Life of Assets

- Protect assets from corrosion with high-quality epoxy coatings
- Maintain color and finish through color-matched coatings for your fleet
- Quickly remediate damage areas in your coating before corrosion begins

HIGHLIGHTS

Two-component coatings, packaged with proper ratios for application

Available in both burst pouches and cartridges

1:1 to 25:1 volumetric mix ratios

Color matching to meet fleet color specifications

Industry-leading technical and engineering support

Local support and distribution anywhere in North America

PRODUCTS AVAILABLE

- SeaGuard® 5000 HS
- Euronavy® ES301K
- Seaguard® 6000
- Sher-Loxane® 800
- Polysiloxane XLE-80 HAPS Free
- Dura-Plate® UHS
- Fast-Clad® ER
- Hi-Solids Polyurethane
- Nova-Plate® UHS
- Sherplate™ PW
- Other products available – Contact your Sherwin-Williams representative for more information

UNMATCHED DISTRIBUTION AND SERVICE

Products You Need Right Now

Get the products you need with same or next-day delivery and gain access to local inventory at more than 5,000 company-owned distribution points in North America.

Technical Service for Optimal Applications

Our technical service team brings extensive technology and product knowledge, as well as manufacturer equipment training, to ensure proficiency throughout the entire coatings process.

THE SHERWIN-WILLIAMS DIFFERENCE

Sherwin-Williams Protective & Marine delivers world-class industry subject matter expertise, unparalleled technical and specification service, and unmatched regional commercial team support to our customers around the globe.

The industry experts at Sherwin-Williams Protective & Marine are renowned authorities in their respective fields of knowledge – including Bridge & Highway, Flooring, Food & Beverage, Fire Protection, Marine, Oil & Gas, Freight Rail, Power Generation, Steel Fabrication and Water & Wastewater. Our global technology expertise in tank linings, passive fire protection, corrosion under insulation (CUI) testing and fusion-bonded epoxy drives game-changing innovation and influences global industry standards.
