

*Building mattresses by hand,  
one at a time, since 1920.*

### MARINE MATTRESSES –

Capital Bedding specializes in manufacturing mattresses of all sizes and thicknesses for maritime and industrial use. All of Capital Bedding's mattresses are manufactured to comply with US Coast Guard regulations for offshore use.

### MARINE BUNK BEDS –

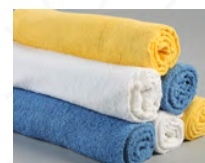

**Steel bunks** available in double or single options with heavy duty spring decks supported by double pin and hook connections on square tube ladder ends.

**Aluminum bunks** feature the weight savings required in many accommodation projects. Drawer placement, locks, privacy panels, ladders and guard rails are considerations for the bunk buyer.

### LINENS –

We supply sheets, pillows, mattress covers, pillowcases, blankets, comforters, towels, etc.

### MARINE METAL LOCKERS, CABINETS, BENCHES and CUSTOM METAL ENCLOSURES –

Single, Double or Triple Tier, assembled or unassembled, whatever the need. Our brands include: Penco, Republic, and Lyon's Metal products. We also have our own metal facility to construct custom lockers.
