SEACOM

PROLOGUE

Seacom Corporation is a leading manufacturer and technical stockist of marine main engine, auxiliary engine, turbocharger and air compressor spare parts.

Our factory was established in 1983 as the OEM maker for HHM(Hudong Heavy Machinery, the licensee maker of Man B&W and Wartsila-Sulzer). Besides, we have direct relationship with first tier licensee factories of Daihatsu, MAN B&W in China. We are also in position to supply high quality turbocharger parts suitable for original turbochargers made by ABB and MAN.

Through many years of manufacturing and supplying, we have accumulated our unique technical know-how, readily available inventory and negotiating leverage. We strongly believe that our supply will improve procurement efficiency and generate cost savings for our customers.
