COLLABORATION ALUMINOX WITH REDORANGE INDUSTRY

Red Orange Industry: Your supplier for Industrial Spare Parts and Components

TITELTEKST

Since June of 2023 R&M Aluminox SA and RedOrange Industry have signed a collaboration agreement to successfully expand the business in Galley and Laundry parts and equipment produced by the Greek supplier of Galley Equipment. Agreed upon is that RedOrange Industry will act as the sole agent for R&M Aluminox in the Benelux in order to smoothen the sale and deliveries of spare parts and work together for large projects which originated in the Benelux. RedOrange Industry will keep stock for spares, inform the market on developments and be the first point of contact for projects.
