Red Orange Industry: Your supplier for Industrial Spare Parts and Components

TITELTEKST

With the unsecure delivery times of many brands and contactors the demand for contact sets for contactors of a.o. **Fuji, Mitsubishi, Schneider, Siemens** and **ABB** has increased rapidly. To meet these demands RedOrange Industry has chosen to stock many of these contact sets and other auxiliary contacts to assist our clients in rapid supply of these spare parts, so that downtime is limited. The contacts sets are in the ranges of Main contact, Switching contacts, Contactor kits, Fixed and Moving contacts.
