SPARESERV CO., LTD

SPARE PARTS SALES

Rm 620 Byuksan E Centurm Class I Centurm dong Ro 99 Haewundae Gu Busan Korea

Tel: 82-51-782-1622 Fax: 82-51-782-1623 www.spareserv.com marine@sparserv.com

Welcome to SPARESERV Co., Ltd.

We have been growing to be a major global leader since our establishment in 2014 and focusing all of our efforts on providing the quality assured products to my world customers.

Our Business focusing is marine spare parts solutions to be a leader in 21st Century.

At SPARESERV we are experts in global procurement of machinery and components.

Our mission is : to provide a reliable sourcing, purchasing and logistic service that guarantees price competitiveness, quality and timely delivery to any location worldwide. We work with customers in a range of industry sectors, including marine spare parts and marine equipment and importing/exporting.

Excellent service is at the heart of everything we do. That's why some of the world's leading marine spare parts and equipment and shipping companies regularly trust us to handle even the most challenging procurement projects.

We are proud of our success and believe that the strength of our professional reputation is the cornerstone of our future.

We hope that you will find many helpful information on our website.

Sincerely yours.

Mr. Charley Noh (K.S. Noh) / President

Schedule Management

Export packing

- On time delivery
- Improvement
- Readiness

- Fumigation
- Wooden box
- Packing carton

Requirement of fumigation or heat treatment for wooden packing material is generally applicable to traders in almost countries. Pls be cautious whether your valuable shipment has its certificate or marking on surface of wooden packing materials. Unless one of both necessities, Cargo should be compulsory returned to loading area or ordered to be performed of additional disposals by the customs authorities at destination country
