2. Service Scope

-Agency Service-

We have professional agency team with deep knowledge of cargo operations and our range of international shipping services caters for most kinds of vessels, bulk cargo carriers, Ro-Ro vessels and tankers; and all cargo types from grains, pulps, steel, minerals to crude.

We go beyond the standard ship agency services with an extensive range of complementary services covering global hub agency, husbandry, bunker call, ship spares logistics, dry docking, ship handover between buyer and seller and more. Whether you're controlling an entire fleet or a single vessel, our greatest services can be tailored to your needs. Ocean Rich Group is committed to meeting the highest standards, honesty and transparency in everything we do.

Owner's Husbandry agency

As your husbandry agent in China, Ocean Rich Group delivers the best care for all your vessel's husbandry matters in port, shipyard and anchorage, wherever you go, we are always on line.

Crew change

Cash to master

Spare parts customs clearance

Crew medical treatment

Shipments off-land/Oil sample forwarding

SSCEC/AGM(FSMC) renewal

SPRO agreement issuance

Provision/Store/Spares consolidated delivery service

2. Service Scope

-Agency Service-

Port agency

Dry docking agency service

With good relationship with shipyards, we deliver standardised and efficient ships agency services to ensure your dry docking requirements and schedules are met, avoiding delays and minimising unexpected cost. Our valued clients include Maersk, Line, MOL, Capital etc. We arrange smooth berthing and operation for “EVER GIVEN” during her docking period at Qingdao Beihai shipyard after her departure from Suez Canel.

2. Service Scope

-Agency Service-

Bunker call agency service

We coordinate swift and smooth bunker operation when your good vsl need bunkering in China.

Handover of ship sale and purchase agency service

As bridge to coordinate ship buyer and seller to proceed all concerned formalities, crew change, delivery & landing spares, UWI arrangement etc.

New-building vessel agency service

As bridge between shipyard and owner, we could arrange smooth and successful delivery for new building timely.

We have good relationship with shipyard and powerful relationship with MSA/Customs/Immigration as well as concerned port parties.

Not only saving time but also taking minimum cost and trouble during her newbuilding period in China.

2.Service Scope

-Logistics Service-

- **One stop** logistics service provider for freight forwarding
- **Rich experience** in handling all kinds of cargo transits - air freight/sea freight/trucking
- **Rich experience** in handling general cargo, bulky cargo and lengthy cargo
- **Professional knowledge** in up-to-date & detailed customs regulation covering major China ports
- **Efficient** customs clearance and **timely** delivery
- Warehousing and storage service
(Own warehouse in Dalian/Tianjin/Qingdao/Shanghai/Zhoushan/Guangzhou)

2. Service Scope

-Engineering Service-

Ocean Rich Group has recorded repairing services of over hundreds vessels of different types each year, with the business covering all Chinese ports, straits and shipyards. All of our engineers are provided with refined professional expertise since all of them have got many years working experiences in this field. With our additional advantages of continuing optimized resources and advanced communicative capability, we have developed solid and stable working relations at all ports in China.

Therefore through combining their local facilities with our professional expertise and working force resources, we have strong confidence to offer our customers with **accountable, comprehensive, high efficient** and **top-ranking** services. We would spare no efforts to stand up to our customer's expectation.

Diversified Service Ranges

- Turbocharger & Governor
- Hydraulic system service
- Electrical and Automation
- Hatch cover inspection
- Cylinder head & Exhaust valve spindle & Exhaust valve seats recondition
- Boiler repair
- Electric motor rewinding
- VRCS service
- Level gauging service
- Crane overhauling service
- Main engine overhauling and trouble shooting
- Aux engine overhauling and trouble shooting
- Air condition & refrigeration system overhauling
- Purifier repair and overhauling
- BWTS & scrubber water sample analysis
- Underwater cleaning
- 15ppm calibration

Repair Service

Steel Structure Projects

Steel structure projects: ships' voyage repair service.

Our welders are approved by ABS with welders' certs. And we have ABS class approved WPS for steel structure projects, including pipes and steel plates. Below listed are some jobs we carried out for our customers:

1. Pipes lines fabrication / modification and installation
2. Steel plates renew
3. Cargo hold ladder platforms fabrication and installation
4. Deck crane jibs steel plates renew
5. Accommodation ladders repair
6. Cargo hold manhole rings repair
7. Others multifarious steel structures

Above are some of the steel structure projects we carried out for our customers, with class approved WPS and welders. We can provide a wide range of repair services such as new equipments installation, steel structures strengthen, and permanent repair. If you need repair service, please feel free to contact with us.

2. Service Scope

-Engineering Service-

Turbocharger Service

Ocean Rich Group engaged in turbocharger, governor overhauling and spare parts supply and has DNV-GL quality management ISO9001:2008 system certification. Our technicians have more than 10 years of experience in turbocharger repair and retrofit work at ABB (Jiangjin) turbocharger company, as well as training at Mitsubishi MET Mitsui MES and Woodward Governor manufacturing plant in Japan. Our workshops are more than 1800m² in Zhoushan and Qingdao.

The Swiss ABB-VTR0/1 series

VTR4/P.D.E series, VTC4/P series, TPS48~61 series, TPL61~TPL91 series, TPL61~TPL91 series

Germany MAN series

NR12~NR29, NA34~NA70, TCA33~TCA88, TCR1 2~TCR22

Japan Mitsubishi MET series

MET18SRC~MET26SRC MET33~MET83/SB.SC.SD.SE

NAPIER and MAK, KBB series

MET18SRC~MET26SRC MET33~MET83/SB.SC.SD.SE

2.Service Scope

-Engineering Service-

Governor Service

American Woodward series:

SG/PSG/UG8~UG40/PGA12~PGA58, PGA200~PGA500; Japan RHD series, NZ series, Europa EUROPA 1102, 1115, 2231 series all types of electronic governor, etc.

The governor test platform of the company is a new type of computer simulation test platform with high precision and reliable operation.

Hatch Cover Service & Overhauling

Our senior service engineers have 10 years of hatch cover inspection experience and can provide high quality service.

- Hatch cover hydraulic system health check
- Hatch cover hydraulic motors services
- Hatch cover control blocks services
- <<<working on barge bulk vessels at Youlian shipyard, Zhoushan>>>

Hatch cover hydraulic system inspection

2. Service Scope

-Engineering Service-

Hydraulic System Service

Fault detect, repair, equipment maintenance, and system design retrofitting for hydraulic system of diverse brand in the world, including hoisting cranes, steering gears, mooring winch/windlass, hatch covers; the spare parts of relevant hydraulic systems (including pumps, motors, valves, seal packing, brake pads etc.)

**Hydraulic
System
Service**
