# COMPANY PROFILE

## HISTORY

**BW Tech Global Logistics Services PVT Limited** is registered under the Laws of Federal Republic of Nigeria by the Corporate Affairs Commission (CAC) under the Companies and Allied Matters, decree 1990 on **9th July, 2018** with **RC 1508989**.

BW Tech Global Logistics Services PVT Limited was formed to provide high quality services to both Marine, Oil/Gas and Underwater Industries. It is 100% indigenously owned company engaged in diversified technical/marine activities.

BW TECH GLOBAL LOGISTICS SERVICES PVT LIMITED and its technical partners offered its Diving and other marine Services to several notable corporate bodies e.g. **COMACOE, NPA, STRYDES ENERGY AND MARITIME LTD, PETROLEX ENERGY LTD, MATRIX ENERGY, ALKANES ENERGY LTD, PROPETROL LIMITED, CORNOIL, GMT LIMITED, CENTURY ENERGY** and other **Government parastatals**.

We were originally specialized in underwater inspection of offshore drilling rigs, shipping vessels, platforms and FPSO for classification societies such as ABS, DNV, BV, Lloyds etc. Since then, we have expanded our services to carry out all types of Offshore and Onshore Inspection, Repair and Maintenance (IRM) including salvage operations.

In accordance with the company's initiative towards a successful long-term business entity in Nigeria, West Africa countries and across the globe, great emphasis is being placed on training and Development of its divers to be capable in the Nigeria workforce. With integrity, skills and work ethics that would join us in becoming the preferred service company of operators working in Nigeria and across the world.

# WHAT WE DO

Our services are extended to maintenance tasks such as;

- Underwater inspection (**in-water survey**) of Ships and Mobile Offshore Units.
- Underwater photography and underwater measurements,
- Underwater clearance measurements of rudder pintle,
- Propeller Tail-end shaft wear down measurements,
- Underwater survey of coastal structures
- Underwater survey of underwater constructions.
- Well Head and Flow line (Pipeline) Inspection and Maintenance
- Inspection of Storage Tank
- **BUOY** Inspection, Maintenance and Installation.
- Underwater hull cleaning
- Underwater Propeller polishing,
- Water Jetting
- Underwater fitting of anodes and underwater replacement of anodes,
- **SBM** inspection and maintenance
- **Jack-up Rig** inspection
- **FPSO** underwater inspection
- Underwater sea chests cleaning and underwater sea chests gratings cleaning,
- Temporary underwater plugging of sea chests (waterproofing),
