

Xerox® Translate and Print App

Eliminate language barriers. Instantly.

Xerox® Translate
and Print

One language in. Another out.

Instant translation is at your fingertips. With this app on your Xerox® ConnectKey® Technology-enabled multifunction printer (MFP), you just walk up, scan your document in and print it out in the language of your choice. It couldn't be any simpler.

49% of businesses state that language barriers and misunderstandings have led to financial losses.*

*Economist Intelligence Unit

BEFORE

Receive a document for translation.

Scan and email document to your high-cost translation service.

Wait days for translation.

Receive the translated document back.

Deploy. Days later.

AFTER
