# HOLD AND HATCH CLEANLESS INSPECTION REPORT

In accordance with instructions received and permission of the vessel's Master, we attended for the purpose of a visual Hold and Hatch Inspection for the vessel **MV CARO PADRE**, as she lay afloat portside alongside berth Nr 9A on which we report the following:

Vessel Name	<b>MV CARO PADRE</b>
Location:	<b>Maputo Port, Mozambique Berth nr 9A</b>
Date of Hold Inspection:	<b>20<sup>th</sup> April 2019</b>
Time of Hold Inspection:	<b>07:30 to 08:00Hours</b>
Intended Cargo to Load:	<b>FERRO CHROME</b>
Advised Discharge Port:	<b>CHINA PORTS</b>
Reference Number:	<b>IND004-19MPT</b>

According to vessel's Chief Officer the last three (3) previous cargoes loaded were as follows:

- Wheat
- Coal
- Coal

Hold Inspected 3 and 5 Only

The hold and hatch was visually inspected for cleanliness and ability to accept the intended cargo.

The inspected hold was found to be dry, free from previous cargo and ready to load the above intended cargo. No rust surface was noted on the tank tops, hatch covers rubbers found to be in good order. No evidence of previous cargo residues or any other extraneous matter found inside holds, during our inspection, no foreign particulars were observed in the vessel holds. Below see photograph representing our findings at the time of inspection.
