

MARINE

MARINE SOLUTIONS

THE POWER TO SUPPLY YOU WITH INTERNATIONAL EXPERIENCE AND LOCAL KNOWLEDGE THROUGHOUT THE USA.

From humble beginnings, a single branch based in Coventry, England, back in 1951, City Electric Supply has grown at a sustained and impressive rate to the point where we now have more than 900 branches worldwide.

Our growth is attributed to our commitment to provide our customers with excellent, quality service which still shapes our development and determines our future growth and success — a future which promises even greater benefits to our customers and security for our employees.

WHAT WE CAN OFFER YOU...

As a top-10 electrical distributor in the country, City Electric Supply has the industry knowledge to serve you on any project that floats your way. Take one look at our line card, and you'll see that we only work with the best brands in the industry. From 3M, Milwaukee, Lutron, and so many more trusted manufacturers, discover the quality products that'll help you get the job done easily.

MARINE SOLUTIONS SUPPLIES LINE CARD

WE WOULD LIKE TO INTRODUCE CITY ELECTRIC SUPPLY MARINE SOLUTIONS AS A VIABLE SOURCE FOR ALL YOUR ELECTRICAL AND INDUSTRIAL REQUIREMENTS.

With over 35 years' experience, we are well-versed in the urgent and unique problems that occur on a day-to-day basis. Our solution teams are focused on providing strong resources and relationships to the ship side, terminal side, and shipbuilding/repair side of this specialized industry. We can accommodate all of your needs, whether they are related to shipboard consumables, spare parts, or facilities.

ONSHORE SEGMENT

TERMINAL RELATIONS:

We pride ourselves in problem-solving for terminal upgrades as well as reefer expansion and repair. We are the master distributor for ESL Power Systems, the world leader in reefer power, both shipboard and intermodal. Additionally, we deal with all facets of terminal operations, crane, RTG, and facility maintenance. No project is too small or too large for our dedicated staff who specialize in this industry. Our customer base touches some of the world's largest ports and container terminals at various locations throughout the Continental U.S.

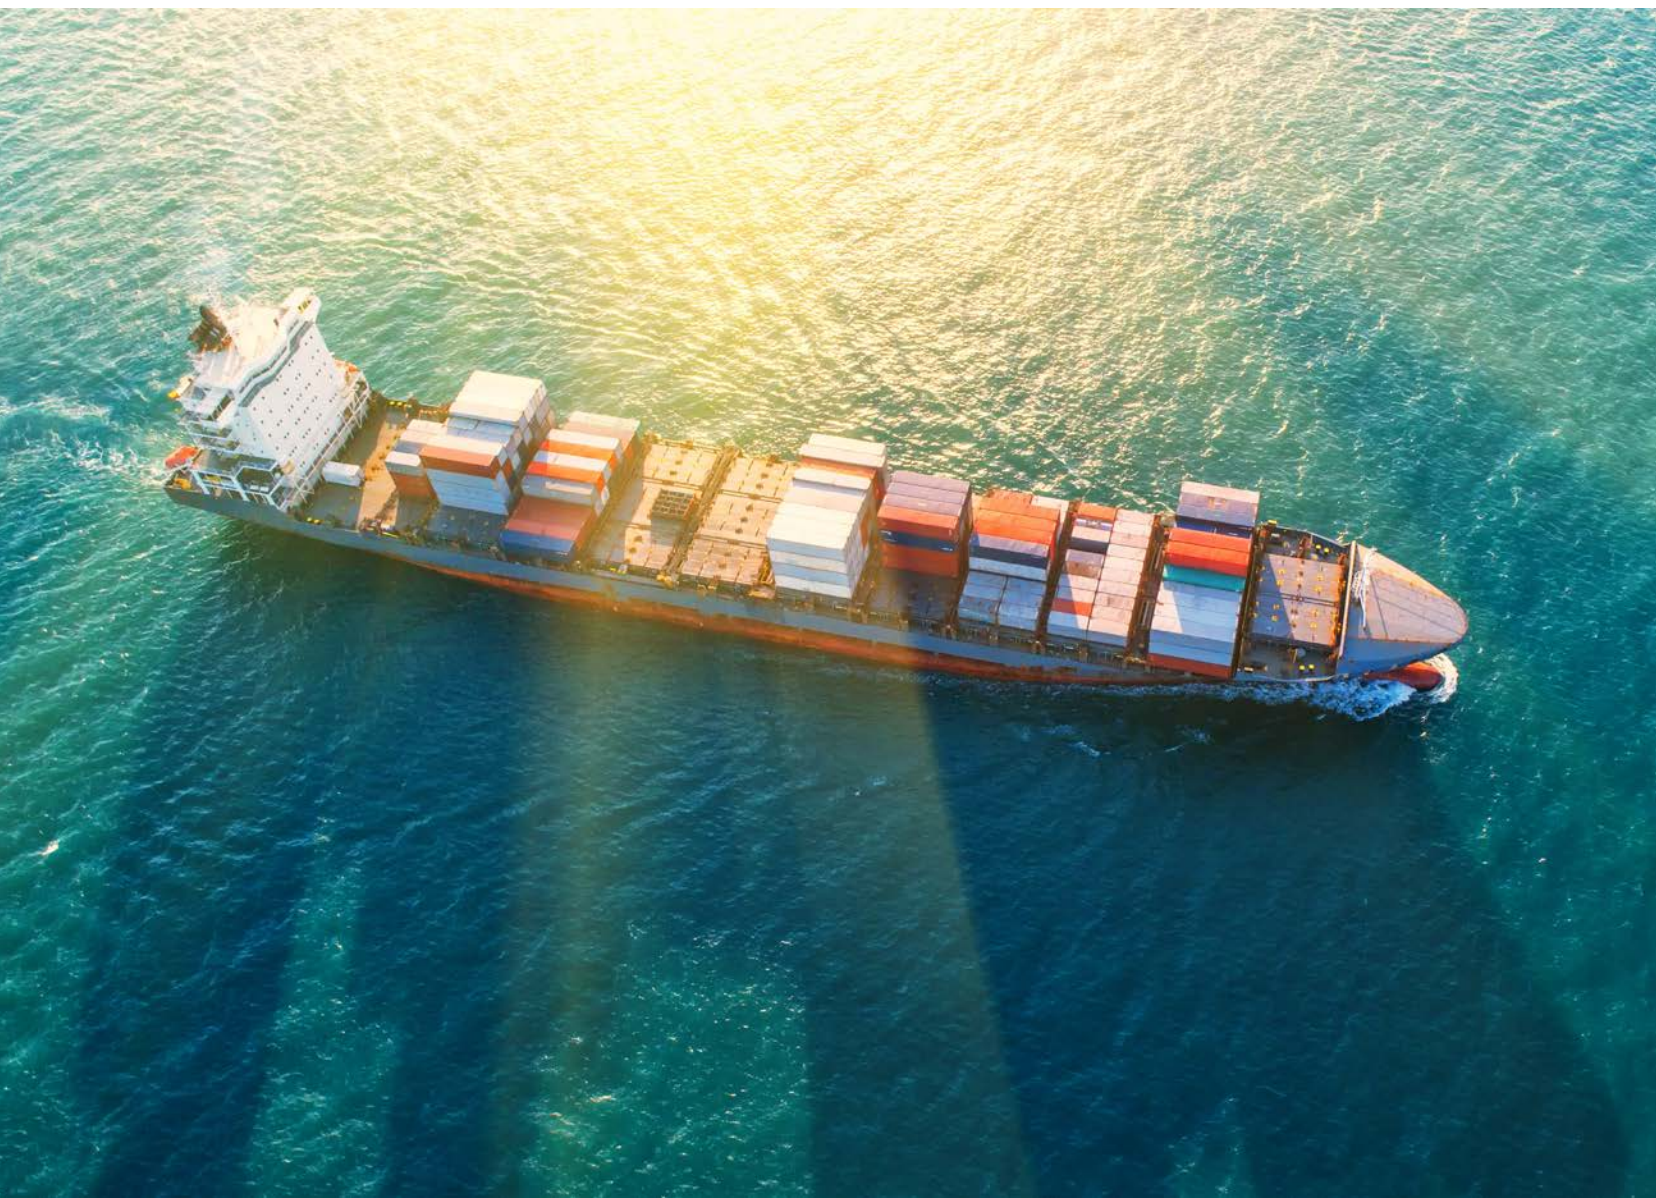

OFFSHORE SEGMENT

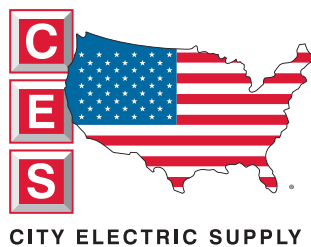

COMMERCIAL SHIPPING:

We are knowledgeable and proactive regarding the everyday needs and timely delivery requirements of our customers' procurement departments, which cover government and commercial sectors. Our team has a "no order is too small" attitude, and we pride ourselves in identifying and sourcing hard-to-find parts for all types of class vessels. Everyday commodities are on the shelves in our network of over 500+ branches within the U.S. and Canada with over 300 million dollars of inventory. Our years of experience in this field have created a very robust and strong background in the worldwide procurement of international products, which has earned us a reputation as the one-stop shop Marine distributor of choice.

SHIPBUILDING:

With the continued growth of domestic shipbuilding, City Electric Supply Marine Solutions stands ready to collaborate to fulfill your needs. We are well-versed in product requirements, and we are involved with many shipyards and dry-dock facilities on the East Coast. As we continue to grow our footprint in this industry, our goal is to create nationwide coverage and expand our customer-driven solutions programs.
