OUR GOVERNANCE PRINCIPALS

Health, Safety and Environment	Our highest priorities are the safety and health of all those who work in our operations and the care of the environment. We are committed to obtaining excellent results in our business by applying work processes that minimize risk to people, the environment.
Respect	It is essential that the members of the kingshipping trading respect every one another regardless of gender, race, colour, religion, sexual orientation, or any other difference in thought or lifestyle, always in keeping with our values and with west African law. We owe the same respect to the communities we live in and to those with which we are associated.
Responsibility	Responsibility has two sides; our rights, which we must exercise fully and our duties, which are related to our decisions concerning the business under our responsibility, the environment, the communities, collaborators and our client. At Kingshipping trading, we call that "taking authority"
Transparency	It is our aim to maintain relations and communications that are clear, open and consistent with our colleagues and clients at any level of this company and with other stakeholders. We are open to sharing the way we think and act, and to sincerely listen to opinions of others.
Integrity	We must be consistent in what we say and what we do, therefore, we consider sincerity and honesty to be fundamental.
Empowerment	We firmly believe that we can choose our destiny. We are freely able to make decisions in line with our aspirations for growth and development. We value leadership, participation, innovation, adaptability and teamwork.
