INTRODUCTION

O. J. MATS SERVICES NIG LTD is a limited liability company incorporated in Nigeria under the seal of the Corporate Affairs Commission of Nigeria in 2009 for the purpose of providing logistics support for oil and gas and other companies, individuals and organizations.

O. J. Mats Services Nigeria Ltd is a marine support and logistics services provider in West Africa sub region. The operational head office is suited at Plot 270 Trans-Amadi Industrial Layout, Port Harcourt, Rivers State

The provision of Marine & road transport, marine support & logistics solutions between West African sub region countries is greatly facilitated by services provided by the private sector. This is especially the case with specialized transport associated with oil and gas and other companies, individuals and organizations operations in many of the countries within the region.

OJMATS: 2015,
Heavy weight lift of
Burner boom

The success of large national and multinational oil & gas companies and services companies, individuals and organizations within West Africa is heavily dependent on transport and logistics solutions for the provision of the required operational materials. Experienced road transport operators, especially those that deliver a high quality, skilled, niche service is frequently needed. One such company is **O. J. MATS SERVICES NIG LTD**, which has

- More than 8 years marine support services, **Marine** Technical services experience (including marine escort services)
- more than 8 years' experience in transporting a variety of goods within Nigeria and other west Africa countries.
- Local freight/clearing and Receiving and dispatching, Storage and warehousing facilities

and associated consultancy services

L.H. PEDDLE

O. J. MATS SERVICES NIG LTD is a privately-owned company with required practical credentials - both in the Nigeria oil and gas industries and within the West Africa sub region. With humble beginnings in 1995 after the company founder, Ojiegbe, left Trans Ocean drilling company as logistics personnel, the company has grown to become the marine support, freight forwarding, road cargo transport and logistics solution of choice for most oil majors, marginal field and services companies in Nigeria requiring the inward transport of necessary oil and gas equipment and movements to outside Nigeria within the West Africa sub region.

Expertise in transport and marine logistics solutions

OJMATS is a specialist on the transport routes within Nigeria and the West Africa sub region. It provides a comprehensive transport service inclusive of all the customs documentation required across borders.

OJMATS is capable of transporting both minor and heavy weight loads within the sub region. This form of service delivery is part of the company's core business and strength, and we pride ourselves in providing the service exceptionally well. This is attested to by our clients.

Client Base as a third-party vendor

Total Chevron Red Transport Mobil Eket Others -(Direct vendor ship) Red Transport Schlumberger Fopwal	Others Saipem Nig Ltd Dirron Ahapa Logistics Nig Ltd Intership Nig Ltd Warri Offshore Nig Ltd Exma Nig Ltd Rivers state Fire services Supermaritime Nig Ltd Petrolog Nig Ltd Teras Conquest 8 PTE Ltd Oil and Industrial Services Ltd
---	--

Our company is known for the outstanding rapport it has with all relevant employees and managers, and its ability to get all goods on site without damage and on time. OJMATS is highly respected by its clients, because the company is organized and thorough in its planning and paperwork. It is always on time, especially so in breakdown situations where goods have to be transported from as far as Lagos-norther parts of Nigeria or Port Harcourt to Ghana or to Togo under challenging weather and road conditions

Our company understands the need to improve the quality of service provision and has both quality control and performance measurements in place. In addition, we ascribe to a Corporate Social Responsibility plan.

Delivery performance and tracking on road haulage

To ensure the continued delivery of our high quality and prompt services, the following measures are in place:

- Driver performance is continually monitored using project report and mobile surveillance and management tool. Details of each trip are recorded and assessed to ensure the safety of the drivers, vehicles and goods transported were correctly and safely handled during movements
- Delivery times on all routes are strictly monitored
- Monitoring team in our operations offices constantly monitor all vehicles to ensure proper route movement, rest periods etc. These offices communicate with our clients on a regular basis.

Technical preparation of an equipment basket for use by O.J.MATS

- All trucks are equipped with mobile phones and can be reached at all times enroute

These measures mean that goods arrive safely and on time, and that as a company we are constantly aware of the whereabouts of our vehicles. In addition, we provide our clients with constantly updated.

Health and safety

We are committed to ensuring that the cargo of our customers reaches all destinations safely and without any setbacks. Similarly, the health and safety of all our employees is very important to us. In this regard, extensive occupational Health and Safety procedures have been implemented, and all Health and Safety regulations are strictly adhered to. We have implemented a strict Alcohol and Drug Policy, and random checks can be implemented throughout OJMATS on all
