

Suez Canal and Egyptian Ports Providedore and Chandlery Services

Your One - Stop Shop for ALL Your Vessels Requirements

We are proud to announce that Consult Navigation Agency is now able to provide a Ship Provision and Supply Service in the Suez Canal and major Egyptian Commercial Ports.

As well as our full range of Transit & Protective Agency and Husbandry Services we can supply Masters, Senior Officers and Crew with all their potential provision and stores requirements across the board:

We supply all our items from our Free Zone complex and can therefore offer competitive pricing on all products we supply including generous volume discounts.

- 24/7 operations for vessels in Transit and at major Egyptian Commercial Ports using our Consult Navigation Owned vehicles, launches and staff to ensure secure and timely delivery.
- Specialist frozen and fresh food provision and catering to meet the requirements of all cultural preferences and requirements.
- Secure transportation and warehousing facilities for refrigeration and storage of all goods, including Bonded Goods and Stores.
- Our service includes the supply of the full range of requirements for Technical parts and equipment including but not limited to; Engine, Safety, Bunkers, Fuel Oils, Fresh Water, Deck, Hold and Crews Living & Operations areas.
- Synergies to save our client's \$ combining the supply of provision & stores with your vessel Husbandry and Operations requirements to minimise costs.
- Please Send your quotation request to SUPPLY@CONSULNAVIGATION.COM
