**Since more than 60 years we offer
the highest standard and the best services**

The company Nautischer Dienst Kapitän Stegmann, based at the Kiel Canal, is a private family-owned company in its third generation.

It was established in 1953 by Captain Walter Stegmann, who came from a long line of seafarers dating back in 1891.

Today Till Stegmann, the third generation, is the manager and owner of the company.

Today Nautischer Dienst has four own branches in the north of Germany
