*ANYTHING, ANYTIME*

# SHIPS & INDUSTRIAL SUPPLIES

*Anything, anytime!*

*Vest Supply AS has since 1992 been a reliable partner along with key participants working towards the offshore market in mid-Norway. We offer a full range of goods and services, all tailored to our customers' needs.*

## AGA - møter dine krav.

AGA tilbyr gasser til mekanisk, næringsmiddel-, prosess- og oljeindustri samt spesialgasser og medisinske gasser. I tillegg tilbyr vi teknisk service, revisjoner og sikkerhetskurs. Vi leverer offshore transport- og manifoldracks i tillegg til flasker i både 200 og 300 bar. Gassrelatert utstyr levert av AGA er spesielt designet og godkjent for offshoreapplikasjoner. Det betyr økt sikkerhet for våre kunder.

# TOOLS

*We don't waste your time...*

TOOLS Vest Supply offer an extensive range of products, that we do store locally. We do also have access to what some speak of as Norway's most comprehensive assortment of mechanical accessories. In spite of this, we see TIME as our most important commodity. Your business depends on efficient production time, and this is the time that we won't waste. TIME is crucial – both to you and us.

We aim to simplify daily operations for everyone working in businesses requiring industrial goods such as tools and accessories. Efficient logistics and knowledgeable co-workers ensure rapid deliveries and easy access to technical expertise.

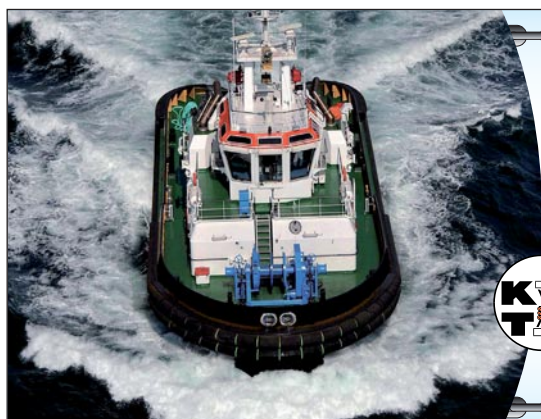

**All of TOOLS' activities are based on four main strategies:**

- extensive use of information technology
- a limited number of suppliers in close co-operation
- competence on all levels
- systematic sales focusing on what, when and how the customers wish to buy

**Advantages for our customers:**

- reduced purchase and transaction costs
- reduced storage costs and less wastage
- less paper work
- less administrative time spent on ordering low value articles
- increased capacity for revenue-generating work
- easy access to local expertise

TOOLS Vest Supply is comprised of knowledgeable client managers with special expertise in their fields. This means that when you contact us, you will always meet someone who understands your needs and offer suggestions for good and cost effective solutions.
