

Al-Minhali supply wide range of provision and to ensure the food safety of our customers we have implemented the HACCP and ISO 22000 standards (currently member of the ISO 22000)

The products we supply are:

Fruits and Vegetables:

We have a wide selection of fresh fruits and vegetables, we purchase the fresh products prior to supply of the vessel/ship to guarantee the freshness of the products for your satisfaction.

Frozen Food Products:

We supply all varieties of frozen food stuffs from Chicken, Beef, Lamb, Fish, Vegetables, Fruits, Pizza, Pies and cuts of meat of strip loins, tenderloins, rumps, and many more.

Dry/Canned Products:

Almost all types of canned products are available for supply from canned meat, fish, vegetables, fruits, sauces, condiments, juices, cooking oil and spices. We have a range of specialty of Indian spices and flavors, catered to satisfy their different taste. As well as for Asian/Italian/Greek special food and spices.

Dairy Products:

We supply wide varieties of dairy product from eggs, milk, buttermilk, sour cream, cooking cream, spread cheese, different kind of cheese from parmesan, feta, cottage, Gouda and many more.

As being a member of IMPA and ISSA it makes our services reliable, efficient, and punctual by just sending the digit codes. We understand what time means to the shipping industry and what quality means to the ship owners. Sending us the IMPA or ISSA product codes will allow us to expedite to supply the desired specifications required, if there is no reference of the items required simply send us the specification/dimension even if it means to be manufactured specially for you.
