Nature of Business

We, Express Ship Chandlers, provide provision, bonded, deck, engine, cabin, ffa, lsa servicing, safety and welfare and general chandlery stores to vessels calling South African ports. We offer 24/7 around the clock service offering competitive prices for the right quality and service required by your vessels.

Company background

Express Ship Chandlers was established in Durban in 1994. Our company is one of the leading ship supply companies in South Africa, in a position to serve at all South African Ports. We excitedly anticipate further organizational growth and development once completing the move to our new Durban premises and the launching of our new branch in Cape Town. We expect this to be completed by January and March 2022.

Strategic vision and competitive advantage

- Express Ship Chandlers Is **Committed To Service Excellence**
- Our objective for success is being “the” trusted supplier for our clients.
- Standards of delivery are all about timely and accurate delivery.
- “Protect us, protect our clients” – COVID 19 and general health and safety strict work measures & procedures.

Mission statement

- To give relevant and stable service consistently.
- To supply quality products corresponding to our clients expectations.
- A guarantee to meet all the requirements of clients vessels and their valuable officers and crew.
- To promote mutual long term relations with our clients and their officers and crew on the ships.

Certification

We are proud to be the first Ship Chandler in South Africa who has achieved ISO 9001:2001 quality management system certification in 2007. Since then our quality management system is documented and continuously improved to meet the requirements of ISO standards. In 2018 we have upgraded to **ISO 9001:2015** standards

We have built a reputation of being a Quality Supplier. We also proud to be the only Ship Chandler in South Africa with **ISSA Golden quality** certificate.

Major products and services

Provision and Bonded stores: We offer a complete range of fresh, frozen and dry provision to cater to the diverse preferences of crew from differing Nationalities. We stock a wide range of products to satisfy crew's desires whatever they may be. We regularly source and supply special items needed on request. Fruit and vegetables are purchased and delivered daily from the market. Our storage facilities, equipment and work procedures are fully compliant with the high demands of today's food supply chain and international food safety standards.

Technical Marine Stores: We supply competitively priced, well-known marine quality brands, spare parts and equipment from A to Z according to IMPA and ISSA Standards.

Cloth & Linen Product	Tableware & Galley	Clothing	General Deck Items	Marine paints
Safety Protective Gears	Cleaning materials	Chemicals & Gases	Pipes & Tubes	Painting Equipment
