

# KERGER

**Electrical Marine Products**

We offer you a variety of high quality KERLed from stock. Built to last, our LED range offers a perfect and exact retrofit LED alternative to any incandescent or saving lamp.

We offer borderless possibilities thanks to an extensive voltage range (100-240V & 12-60V) and help you source any specialty LED lamp you might possibly need.

*LED is the future and Kerger welcomes it!*
