***Our aim is to offer reliable and super value-added services for global shipping market. We have a complete organizational structure to build the company as a one stop shop for owners/managers.***

**1. STORE & PROVISION:** Since our company is a member of IMPA and ISSA, we are capable of supplying 90% of items on their catalogue. We have a large warehouse capacity for stores catering for all multitudinous demands of different clients. We even manufacture some of them and have our own brand.

**2. MARINE SPARE PARTS & EQUIPMENT:** We deal with new and secondhand spare parts actively here in China. We can supply either to the vessel calling China or export the parts to anywhere worldwide. We can supply Daihatsu, Yanmar, Man B&W, Sulzer, sewage treatment plant, boiler, fresh water generator, winch, cranes, 2<sup>nd</sup> hand pump & hydraulic motor etc.

**3. DECK EQUIPMENT & PARTS:** We can provide all types of deck equipment and spare parts such as hatch cover packing and spare parts, container fastening and lashing materials, anchor chain, steel wire rope, vent head, watertight doors, JIS standard marine valve and flange and other deck fittings. All we provided are fully in accordance with the international requirements.

**4. PORT OR AFLOAT REPAIR SERVICE:** Our company's engineers and workers have rich experience in ship repair business. Our team can carry out general ship repair work such as steel replacement, engine repair, blasting & coating, turbocharger repair, boiler repair, motor rewinding, lifeboat or davit survey, radio & GMDSS inspection etc. Most of our work is carried out during vessel's discharging at certain Chinese port in order to avoid delay for owners due to ship malfunction.

**5. MARINE WHOLESALE & EXPORT:** Based on a strong marine stores storage & resource, we have expanded into being a wholesaler in China and export to other ship suppliers all over the world. We also have some stores made to order at client's request based.
