

# UPGRADE YOUR SERVICE

*Whatever you need, Wherever you are.*

## Since 1932

CASA is a Portuguese leading company, serving the shipping industry for more than half a century.

## Efficiency and Effectiveness

We recognize the importance of speed in the shipping world, our logistic and reliability in prompt delivery is your guarantee that the vessel can set sail as soon as possible. Our logistics are able to supply you **24 hours a day, 7 days a week, every day of the year.**

## Food, Bonded and Cabin products

Our service includes the procurement and supply of a wide variety of products and goods. The range of items can vary from perishables, groceries, dairy, meat & poultry, seafood, beverages & drinks, spirits, confectionary, tobacco, home & personal care. We are able to provide combined consignments of frozen, chilled and dry cargo directly to the required destination.

## TECHNIK

As a general supplier we offer a comprehensive range of service for the shipping industry which is recognized and in demand worldwide. We are able to provide any general equipment that a marine vessel requires to successfully operate. Cabin, Deck & Engine supplies - **All in a single source.**
