

Accord supplies the following products, equipment and services...

Brass Fittings & Nozzles

Akron Brass Products

C.G. Fog Tip
2033 (1-1/2")
2047 (2-1/2")

C.G. Nozzle w/Fogtip
2032 (1-1/2" inlet)
2046 (2-1/2" inlet)

C.G. Applicator with Fog Head

2415 (1-1/2" x 4' - 60° bend)
2015 (1-1/2" x 10' - 90° bend)
2225 (2-1/2" x 6', 10' & 12' - 90° bend)

Applicator made of stainless steel tubing, ball valve and brass nozzle tip & fitting.

Please specify coupling at time of ordering:
Nakajima, ANSI PIN, Storz, etc.

Sizes:

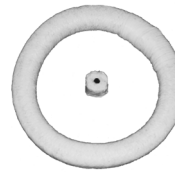

2" x 1200mm overall length
2" x 1980mm overall length

Insulating Flanges

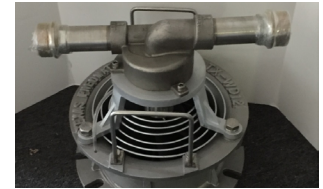

Sizes: 4", 6", 8" & 10" I.D.

Tank Lid Packing

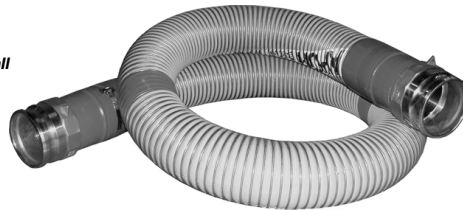

Style# 3020

Water, Air, Electric Driven Ventilators

12" or 16" Butterworth Hatch
Air or water driven • Up to 4,000 CFM

Composite Hose

Sizes: 1" - 10" I.D.

for chemical, LPG, petroleum, submersible & vapor recovery service

Water Gun on Tripod

Converts low water pressure into a high speed jet for easy cleaning of cargo holds, hatches, machinery and paint work

Expansion Joints

Butterworth Gaskets

321 Stainless Steel • Sizes: 1" - 48" I.D.

214 PSI W/P • Neoprene • Sizes: 1-1/2" - 20" I.D.

Also Available: Custom Molded Joints & Custom Fabrications

Tank Cleaning Hose

Sizes: 1 1/2" or 2" in lengths of 50', 75', 100' - 400'
20, 25, 30, and up to 122 meter lengths

1-1/2" I.D. Heavy Duty Booster Hose

250 PSI WP, USCG approved, max. continuous length 400', custom assembled lengths-to-order. Tube: NBR/PVC, RMA Class A, Cover: Red EPDM, Reinforcement: 4-Spiral aramid yarn, Temp. Range: -40°F (-40°C) to +190°F (+88°C), Weight: 0.71 lb/ft (1.06 kg/m), Fittings: Brass NST, NPSH rocker lug couplings, Nakajima, Storz, or British Instantaneous.

Spiral Wound Gaskets

HGV Globe Valve

Cast Brass

Part No. HGV-150NST
Flange Size: 1-1/2" 150#
Thread Type: 1-1/2" M NST

Part No. HGV-250NST
Flange Size: 2-1/2" 150#
Thread Type: 2-1/2" M NST

HAV Angle Globe Valve

Cast Brass

Part No. HAV-150NST
Flange Size: 1-1/2" 150#
Thread Type: 1-1/2" M NST

Part No. HAV-250NST
Flange Size: 2-1/2" 150#
Thread Type: 2-1/2" M NST
