YOUR ONE STOP SERVICE

DEDICATED AND PROFESSIONAL SHIP SUPPLIER

Store and Provisions | Spare Parts | Logistics and Export | Cruise Ship Supply

Our Mission

"Committed to providing quality, efficient and reliable service to our customers"

Our Vision

"To build long term relationships with our suppliers and clients around the world that is positive and beneficial to all parties."

Our Values

Efficient and Professional

We strive for the best team performance ensuring our customers are always receiving a professional and quality service with quick and efficient response.

Safety

The well being of our team members and the crew on board is of the upmost importance and it is our responsibility to provide a safe work environment, training and equipment to mitigate any risks.

Social Responsibility

Golden Harvest is committed to it's social responsibility, with the annual LiZhiScholarship that was founded by our president Mr. Chen Lizhi which aims to build academic achievement and life skills for young people in the maritime industry.

About us

Golden Harvest was established in 1997 with Shanghai as its headquarter. Over the years our business has naturally grown into one of the largest ship suppliers in China with further operations in Dubai, Melbourne, Osaka and Piraeus. Today our company still works under the same principle "More Efficient, Professional and Safe", providing the most reliable ONE STOP SERVICE to our customers all over the world.

Dedicated and Efficient Ship Supplier

As the market constantly changes, Golden Harvest adapts and improves to exceed its customers' expectations by offering an extensive range of products and services. We are committed to providing the most efficient and reliable service to you.

Quality and Professional Service

Our company works and adheres to the highest international standards guaranteeing that our customers will always receive the best quality and value added service and products, Golden Harvest is certified with:

Ship Stores

As a general ship supplier, Golden Harvest can provide a full range of high quality marine stores, in guidance with codes and descriptions to IMPA and ISSA standards. A large range and volume of stock is kept to ensure that urgent requests from our customers are reliably delivered on short notice.

**ENGINE · DECK · CABIN · GALLEY · ELECTRICAL · SAFETY
· MEDICAL · ROPE · PUBLICATIONS & CHARTS**

Guaranteed Quality

A strong network of reputable vendors and manufacturers ensures that our stores are always of the highest quality and meet industry standards; Class and NON Asbestos Certs. We have strict quality control processes in place to make certain that all goods that arrive and leave our warehouse are correct and in good condition.

Initial Supply

Our team are highly experienced in handling Initial Supplies, reliably assisting with hundreds of New Building Projects over the years at Chinese yards and also efficiently exporting to foreign yards.

Full Shipyard on Site Support

Large network of branch companies and well established business relations with local Ship builders, allow Golden Harvest direct access to supply at all major shipyards in China, providing real time support to your site team.

Proper Packing: For the crews smooth and efficient checking of initial supplies delivered. All Items are safely boxed and packed correctly onto pallets in order of dept/pos number with clear colour coded labeling on each item, box, and pallet prior to leaving our warehouse.
