- Privately owned.
- The highest AAA credit rating.
- Offices in Sweden, USA, Korea, Finland and Singapore.
- Agents and representatives all over the world.

FROM SINGLE UNIT DELIVERY TO TURNKEY SOLUTIONS

HOW CAN WE HELP?

Loipart offers services and after sales support on a global basis. You can rest assured that you will always receive technical advice and spare parts for your equipment.

Every appliance you buy is made to be easily maintained and serviced. Loipart is dedicated to helping you and other customers keep your equipment up and running.

SPARE PARTS AND SERVICES

We provide full support for all of our deliveries with a wide range of spare parts from our warehouse in Sweden. Five people are dedicated to technical service, guarantee issues and handling of spare parts. In all we have some one thousand service points available within our network. Our US customers are also served locally from our stock held by Loipart USA in Fort Lauderdale, Florida.

LAYOUT DESIGN

Modern design tools and a large amount of experience are what it takes to create layouts for galleys, pantries, bars and laundry areas in all kinds of marine projects. The aim for our world-class designers is to utilize every inch of the galley to create an optimal workspace.

INSTALLATION

Installation is a demanding task. On request we have the experience and knowledge to assist you. We guarantee the best possible end result by cooperating with our partner who has the longest experience and highest knowledge of marine turnkey installations.

CONVERSIONS, UPGRADES AND REFURBISHMENTS WORLD WIDE

The scope of conversions can be anything from replacing a broken refrigerator or upgrading a decorated buffet and bar, to renewing a complete galley – and everything in between. In shipping, business time is essential.

When a vessel is taken out of service for repairs or conversions, we make precise time schedules for every step of the project to minimize the delivery time. After 40 years (and many success stories) we have built up a reputation as a reliable partner.

SHIP AS IN PARTNERSHIP

When refits are done on ships in service, our efficient and experienced installation team finalizes tight schedules to minimize financial loss and passenger and staff inconvenience.

MODULAR TURNKEY DELIVERIES

Module-based catering areas were originally developed for new buildings: equipment, walls, ceilings, hoods and lights are all pre-fitted in a factory. The same revolutionary technique is applied in repairs and conversion projects. As a result, the work done on board is kept to a minimum. And you know what that means: great savings in both time and money.
