

COMPANY PRESENTATION

Welcome at Exportadora Sao Francisco

WHO WE ARE?

Exportadora São Francisco is a General Ship Supplier with a rich history since its establishment in 1990. Throughout these years, our primary commitment has been to deliver every order promptly and with the quality our customers deserve.

Founded by Iran Machado Heleno, the company is now operated by his family, working together to ensure its ongoing prosperity.

Exportadora São Francisco continually invests in enhancing its infrastructure to guarantee the best possible experience for our valued customers.

OUR ASSOCIATIONS

IMPA (International Marine Purchasing Association)

ISSA (International Shippers & Service Association)

WE WORK FOR A BLUE OCEAN

IMPA Save is a program that evaluates the environmental and social management of companies in the maritime sector through a certification based on international standards.

This certification encourages companies like ours to implement more sustainable practices and to continuously improve their environmental and social performance.
