

TULLP SECOND LIFE

At TULLP we strongly believe in a sustainable future. Not only for us but also for the future of our kids. We are always looking for new ways to lower our ecological footprint as a company and doing our part for a greener and responsible working environment

Therefor we have created a new spare part segment; "Second life parts" This contains of used parts that we repaired and checked to comply with the high quality standard we have at TULLP.

Parts that, in the past would be destroyed, but now have given a chance to be used once more. Fully checked, 100% reliable parts thus creating less waste.
