Your Trusted Service Partner

Formerly known as Goh IGS and Automation Pte Ltd (GIA), GIANTECH Engineering has been recognized as a reliable after-sales service agent for many specialized equipment on board seagoing vessels.

With more than 15 years of marine experience and dedicated team of maker-trained service engineers, GIANTECH meets and exceeds shipowner demands by ensuring that their systems operate smoothly throughout cargo operations.

We have developed ourselves to cover a wide range of specialized equipment for marine and offshore industries. These includes:

- Inert Gas Generators
- Flue Gas Systems
- Nitrogen Generator Systems
- Air Compressors
- Pressure Vacuum Valves
- Marine Boilers and Burners
