solutions**

How we do it.

Personal service

We succeed if you do, that's why we look after your interests as if they were our own.

24/7-assistance

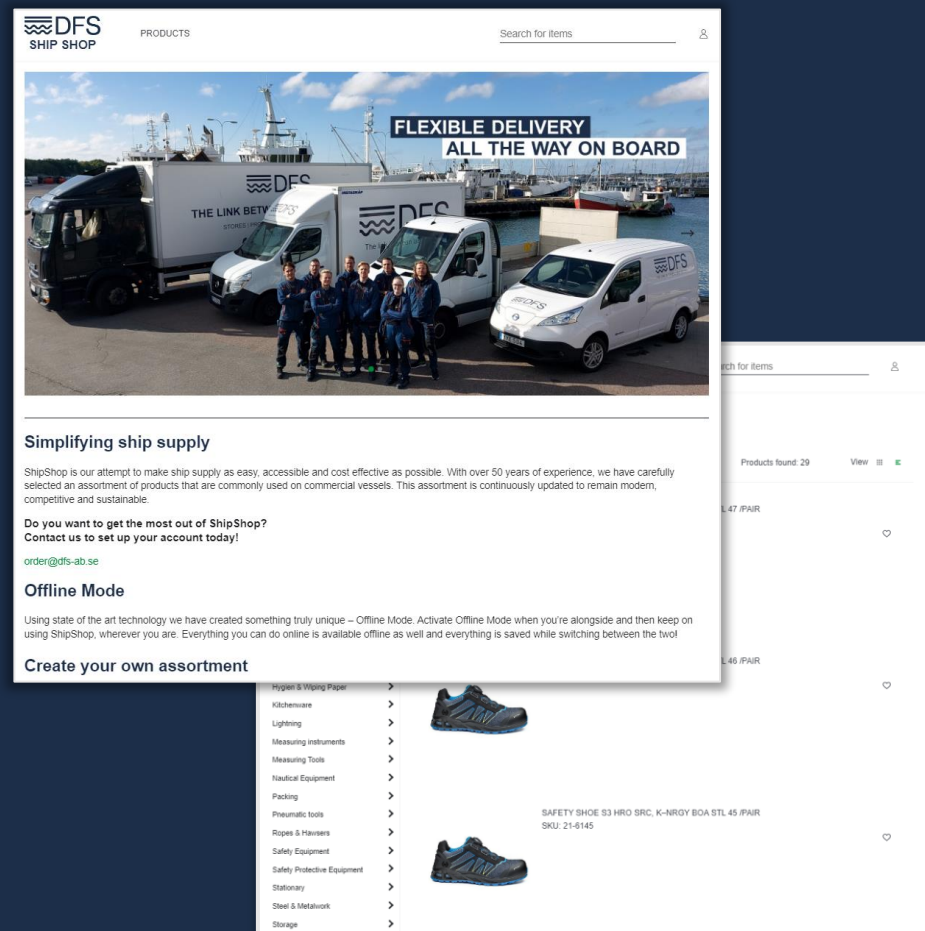

The maritime industry doesn't take breaks, so neither do we. Contact us, at anytime, and we will be at your assistance.

Customized solutions

We understand that you need specialized solutions that fit your organization, we will provide them for you.

Who do we do it for.

We have been in faithful service of the Swedish, and international, maritime industry for over 70 years.

Our customers include tankers, cruise lines, fishing vessels, general cargo, shipyards, luxury yachts, the navy, the offshore industry and many others.

We take pride in being an experienced supplier of marine products and services.

A selection of our loyal customers
