

SPECIAL ANNOUNCEMENT:

# VANE BROTHERS MARINE SAFETY ADDS LOAD TESTING TO SERVICE OFFERINGS

Vane Brothers Marine Safety and Services, the company you have long trusted for safety equipment service and inspections, is now your dependable source for **CRANE AND DAVIT LOAD TESTING**.

Our technicians ensure that your load test requirements are handled with the highest level of care and proficiency. Issuance of Certificate can take place right onsite to satisfy the demands of flag and/or classification societies.

In addition, we offer increased **VALUE** and **CONVENIENCE** by being able to provide load testing while also performing other important services, such as lifeboat davit inspections, SCBA and fire equipment inspections, and liferaft service.

Please contact your Sales and Service Representative to learn more about crane and davit load testing. And remember that, in all we do, **SAFETY** is at the center of VANE BROTHERS MARINE SAFETY AND SERVICES.
