

**VIPER Wire Rope Lubricator** is a safer & faster method to take care of your mooring ropes. This automatic application cleans all outer contamination and lubricates steel wire ropes in one pass.

An official distributor

- ▶ Requires no special skills and no tools to operate
- ▶ Single person operation with a lightweight design
- ▶ Reduce labour required to lubricate wire ropes by up to 90%
- ▶ Grease up to 2000m of rope per hour
- ▶ Increase wire rope life up to 300%
- ▶ Light weight, easy to install and operate
- ▶ Unlike the manual method, operators have no direct contact with the lubricant
- ▶ All excess lubricant is captured and may be re-used, no wastage
