

LET GO ANCHOR
FOR TOP SERVICE

SAACKE

Better Life Energy

YOUR PLUS IN SERVICE.

Combustion and automation services, spare parts, retrofits and boiler repairs for marine equipment from a single source - personal, human and competent. Working with us does not end with the installation of your equipment. With SAACKE you have a partner who will keep you safely on course - worldwide. Always a mile ahead of your competitors.

On the move on all seas and brands

Even your vessel was not equipped with SAACKE during newbuilding – we can assist with our after-sales portfolio also for other brands. No problem!
