

# George Menaboni srl

*" End of the day, end of  
the game, 2500 miles faraway  
fm the nearest port  
no cheaper price  
could justify  
a poor service,  
nor a poor quality,  
nor a lack of assistance "*

*Try now to say this  
in a different way,  
changing the negative  
sentence  
into a positive one.*

*Read it slowly,  
there is no hurry  
nor any fair to  
be late, because  
we will be here to assist,  
to supply,  
to repair or consult;  
since so many years  
anytime you  
will need it.*

*That's why  
after so long time  
you actually will find  
**George Menaboni**  
still on top of the  
selections.*

**Since 1765  
it was a long way.**
