*Impfen für die Berufs- und Sportschifffahrt*

As part of Alliance Marine SAS, **BUKH Bremen GmbH** is the leading importer and wholesaler of technical accessories for ships and yacht in Germany and EU.

**We supply specialist trade, shipyards and industrial customers in B2B format.**

The delivery program includes small spare parts up to complete system solutions, which we keep in stock in our own warehouse.

**High-performance intralogistics** with transport logistics tailored to this ensures the shortest possible delivery times in supplying our customers.

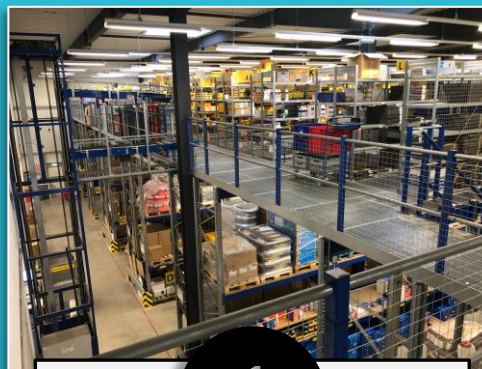

# Our warehouse

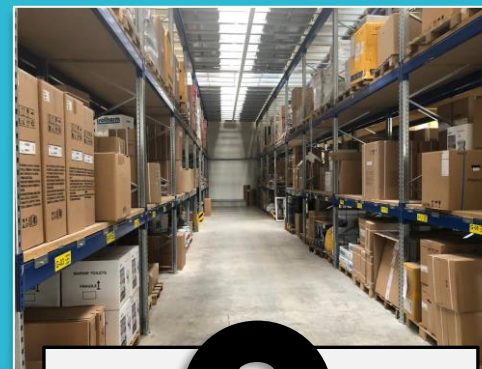

Representing 45 renowned brands, we offer the most comprehensive product range in the market from small spare parts to complete system solutions.

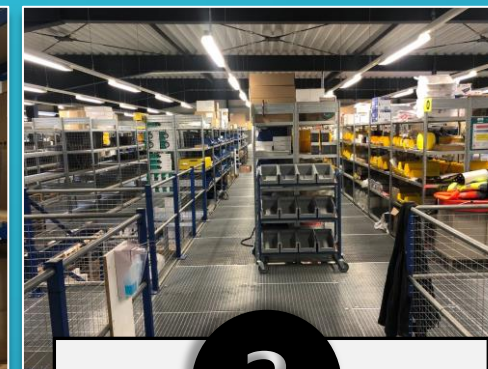

1

We have our own warehouse of 3000 square meters.

2

In which there are constantly thousands of types of spare parts and equipment for ships and yachts.

3

50.000 articles of which around 10.000 are held in inventory and sophisticated stock keeping algorithms ensure a high availability of products from our company owned warehouse.

SHIPSERV CLIENT SUCCESSES

[ShipServ is] easy to use and operate.  
The new invoicing system also makes  
our operation easier than before.

We can be found through ShipServ by  
unknown customers which assists us to  
not make more marketing operations.
