**2- Certified Quality System in accordance with ISO 9000 series:** ☒ Yes ☐ No

**3- List of subsidiaries covered by this certificate**

NA

**4- Condition for the validity of the certificate of approval**

The certification is valid insofar as the inspection duties are actually assumed by personnel of the Supplier who has been assessed by the Society.

The Society reserves the right to invalidate this certificate of approval in case :

- Where the service was improperly carried out or the results were improperly reported .
- Where a Surveyor finds deficiencies in the approval service operating system of the supplier and appropriate corrective action is not taken.
- Where alterations have been made to the Company's Quality System relevant to the service supplier certificates , without written notification to the Society.
- Where the periodic audit, if requested, has not been carried out.
- Where wilful acts or omissions are ascertained.
- Where any deliberate misrepresentation has been made by the Service Supplier.

**5- Other conditions**

- This attestation is valid only where the approvals granted by the manufacture remains valid
- the company is responsible for the renewal of approvals granted by flag & manufacturers before their expiry dates.
- In case of any modification of suspension of approvals , the company is responsible to inform the RO in advance.
- This approval may be cancelled in case the services provided by the company doesn't comply with our STANDARDS & Rules.

**6- Endorsement where an intermediate audit has been performed**
