Now a day's terminals are not accepting any stores/provision deliveries by shore any more, and as a result the ship owners are hit by additional charges for the use of barge/launch services to their vessels. I.S.T. Marine supplies bv has in cooperation with her 100% sister company "Legero International group" the use of her own two

two new build barges/launches with cranes in Rotterdam, her OPL delivery boat in Singapore, and shortly her own flat launch in the port of Houston. launch in Houston Port. Having own equipment enables I.S.T. Marine supplies BV to offer her client an irresistible "All in" deal whereby the client may instruct other suppliers to join the ride for free.

(Rotterdam headoffice &amp; warehouse)

Founded in 1992 at Rotterdam the group rapidly expanded by establishing in 1995 an office in Singapore and further opened in 2006 the doors to Houston. The Group now employs more than sixty eight (68) well experienced staff members which mostly are multi lingual (English, German, France, Spanish, Dutch, Polish, Malay, Japanese and Chinese), and therefore able to communicate with various clients in their own native languages. The three offices are identically and set up as independent operating units complete with bonded warehouses, owned trucks (cool/fridge) and trailers and fully stocked up with European as well as imported items from Asia to be used on board ships, Drilling rigs and offshore structures.
