

PHOENIX[®]
DURABILITY X DESIGN[™]

R&M

LUMEN ELECTRICAL INC

PHOENIX - DURABLE LIGHTING MADE FOR MARINE

R&M Lumen Electrical Inc is now able to supply a range of Phoenix Marine LED Lighting products from our Miami warehouse. Phoenix leads the industry by designing and building lights that endure constant vibration, large temperature variances and corrosive conditions ... exactly what our customers need. LED technology increases efficiency, eliminates maintenance and supports green initiatives.

Please contact lumen@rm-electrical.com for all product requests for Marine vessels ranging from Tug & Work Boats, Ferries, Dredges, Barges, Military & Research vessels.

Wayfinder[™] - LED Accessway Light

Superior customized optics
Emergency battery backup (EMB) option
Rugged construction with a contemporary design
Delivers up to 1100 lumens to walkways, stairways and other small areas

Command Flood[™] - Marine Floodlight Waterline Security Light

Industry leading above-deck floodlight
Designed and manufactured in the USA
IP66 and suitable for all demanding marine conditions
Stainless steel bracket and hardware for maximum corrosion resistance

ReadiLED[™] - LED Snaplight[®] & Retrofit Tray

Superior corrosion resistance
Vibration-resistant for demanding applications
Designed to upgrade linear fluorescent fixtures

Sturdilite[®] - Low-voltage LED Floodlight

Durable, premium line of LED fixtures
Lightweight, compact design ideal for use on mobile equipment
Customized optics minimize glare and provide precise optical control
