Marine & Industrial Supply

Sistemi, componenti e strumentazione di controllo e monitoraggio meccanico
Systems, parts and instruments for mechanical control and monitoring

Sistemi oleodinamici per lubrificazione e azionamenti oleodinamici
Lubrication systems and hydraulic power drives

Sistemi pneumatici per automazione e componenti per fluidi di processo
Pneumatic automation systems and components for process liquids and gases

Prodotti chimici per manutenzione e per incollaggi strutturali
Chemical products for M.R.O. and solutions for structural adhesive bonds

Incluso / Including
**BUSCHJOST
HERION**

Lubrificazione, pulizia, ripristino e rivestimento delle superfici
Products for surface lubrication, cleaning, restoration and coating

Componenti per pompaggio, filtrazione e sanitizzazione fluidi
Components for pumping, filtration and decontamination of fluids

Tenute meccaniche e baderne
Mechanical seals and mechanical packing

**Bi.Erre.Di.:
best
solutions for
marine supplies**

“ Bi.Erre.Di.: Our Sales Program ”

All our special offers
www.bierredi.it

CUTTING TOOLS

- Drilling bits, end mills, taps, dies, HSS and hard metal reamers
- Tools, toolholders, milling cutter, inserts
- Lubricating and refrigerating fluids
- Band and circular saws

MACHINE TOOL EQUIPMENT

- Spindles, tailstocks
- Clamps, brackets, fasteners
- Turrets
- Threading taps

MEASURING SYSTEMS FOR MACHINE TOOLS

- Display Units
- Linear and rotary encoders
- Probing systems

ELECTRICAL MACHINES

- Sawing machines
- Cutting-off machines
- Drill press
- High-pressure cleaners

POWER TOOLS

- Electric tools
- Battery-powered tools

TOOLING

- Hand tools
- Tool holding bags and cases
- Tools and equipment for mechanics, hydraulics, engineering and electronics

TRANSMISSIONS

- Ball bearings, roller and needle roller bearings
- Belts and pulleys
- Joints and taper bushes
- Ball/roller guides, ball screws/rollers
- Reducers, gear motors, motor variators, electric motors
- Chains
- Seal rings and O-rings
- MAPRO - Predictive maintenance and lubrication

SEALING SYSTEMS

- Packing
- Mechanical seals
- Gaskets

PNEUMATICS

- Air treatment
- Automation components
- Pneumatic tools
- Compressors
- Fittings

HYDRAULICS

- Hydraulic cylinders
- Lubrication systems
- Mini power packs

MEASURING INSTRUMENTS & METROLOGY

- Dimensional measuring instruments
- Electrical measurement instruments
- Maintenance instruments
- Non-destructive tests
- Thermometers
- Environmental measurement instruments
- Thickness gauges
- Industrial and laboratory electronic balances
- Building and topography instruments
- Base instrument calibration service
- SIGS - Management Information System Instruments

SAFETY PRODUCTS

- Personal protection equipment
- Clothing, shoes, gloves
- Fall protection equipment

LIFTING EQUIPMENT

- Electric and manual hoists
- Magnetic lifting
- Hydraulic cylinders
- Pallet trucks and Forklifts
- Lifting and anchoring systems

INDUSTRIAL FITTINGS

- Metal cabinets
- Trolleys
- Work benches
- Industrial drawer units
- Steel and plastic containers

ABRASIVES

- Flexible abrasives
- Rigid abrasives
- Diamond abrasives

CHEMICALS

- Adhesives and sealants
- Greases and lubricants
- Maintenance products

ENVIRONMENTAL SAFETY

- Oil and fluid absorbents, special absorbents
- Storage, containment and transport
- Depolluting products and detergents for industrial cleaning
- Products for sea and coast protection

WELDING

- Systems
- Portable inverter welders
- Electrodes, wire, fillers
