

 **NAVALROCHA, SA.**

I need to **repair my ship** somewhere **trustworthy**.

Somewhere that has **good facilities** with **skilled workers** with **vast experience** and where the economic crisis won't keep them from working, so that the service can be completed at the correct deadline, avoiding idle sailing days.

Somewhere that is **strategically located on the map**, that has **favorable climate** all year around and that can still **be able to charge competitively**.

Somewhere that is simply...

 **NAVALROCHA, SA.**

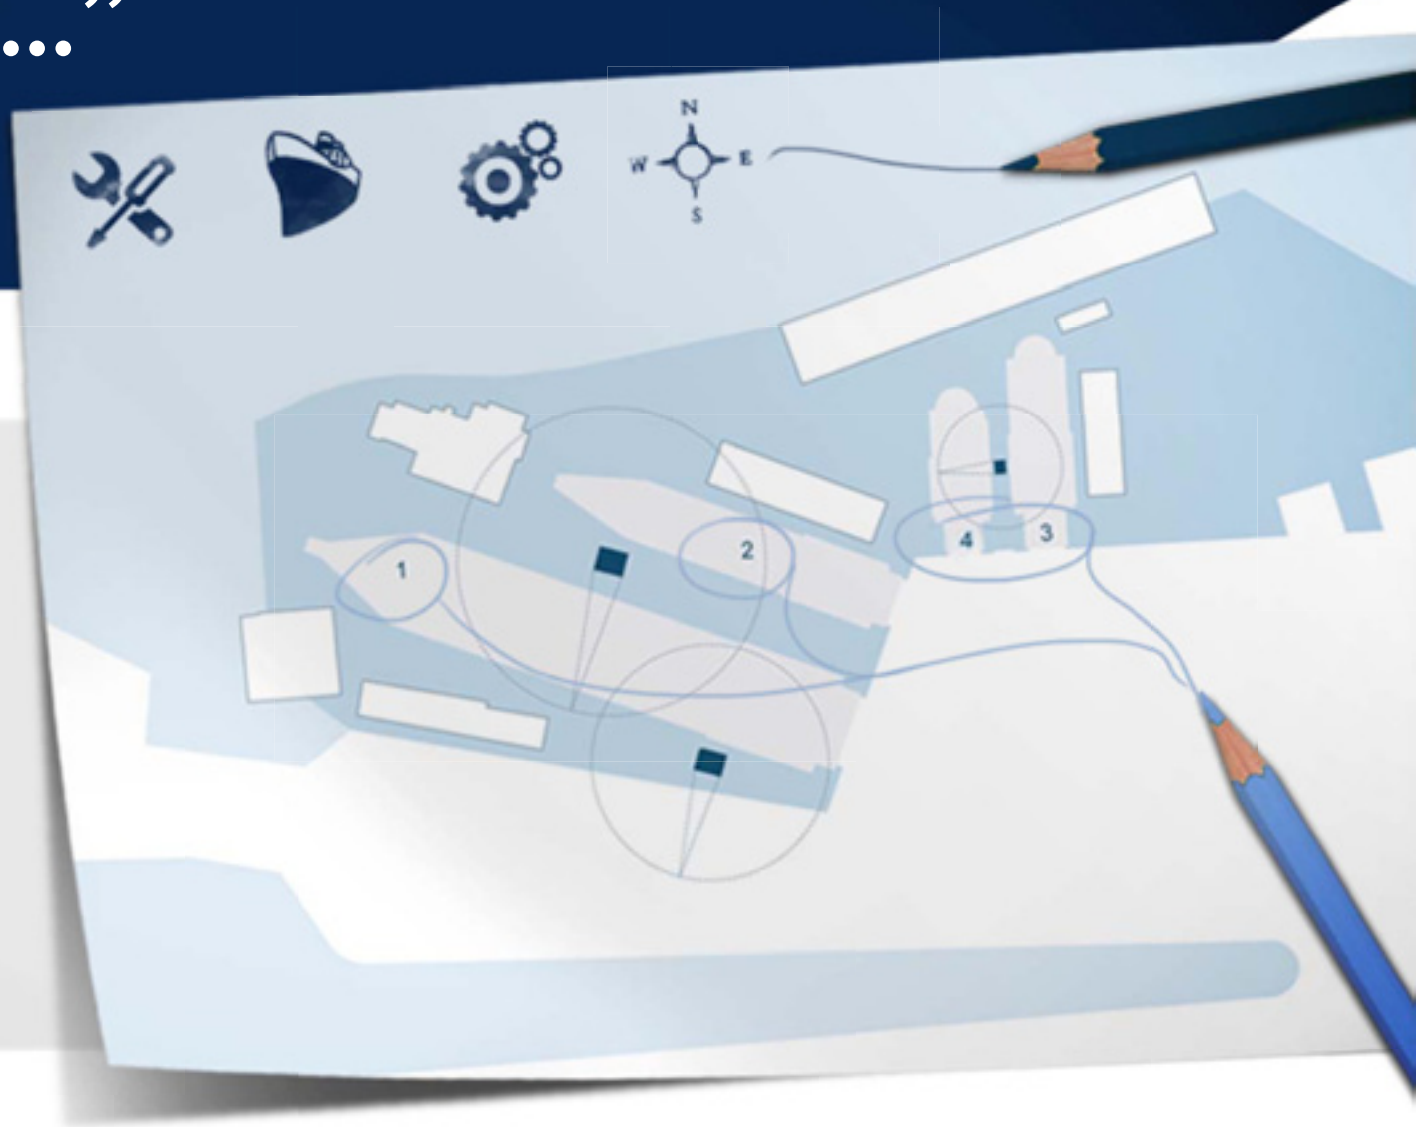

**BIG ENOUGH TO HANDLE IT AND  
SMALL ENOUGH TO CARE**

We understand  
what is needed  
to choose a  
**trustworthy ship  
repair partner**
