Subject: Authorisation Service partner

Dear Sir,

We herewith confirm that Techmarine SP. z o.o. Sp.K. has become a non-exclusive service partner for Sandfirden Technics bv from the Netherlands. They are authorized to sell, and to execute service and maintenance to Sandfirden Technics Products. This authorization is valid for the following products:

Sandfirden OceanLine marine diesel gensets
Sandfirden GasLine industrial gas gensets

This authorization gets into force July 11th 2024 and is valid 12 months. After this period this authorization will be reviewed.

Kind regards,

Bart Bakker
Managing Director
