Delivering Seamless Solutions Worldwide

At **Omnium** we provide more than just products, we offer **complete solutions** tailored to the needs of our clients.

With our **expertise and global network**, we deliver reliable procurement, supply chain and logistics services across the marine and industrial sectors.

Whether serving clients across **Europe, the Middle East**, or the **USA**, we ensure smooth operations with our efficient, end-to-end solutions.

We are proud to **deliver on time, every time**, without compromise.

Our focus on **quality and customer satisfaction** is what drives us forward, earning the trust of our partners for the past **20 years**.

About Omnium

Omnium Marine Services is a fully integrated single-sourcing, supply chain, distribution and logistics company serving clients across **Europe**, the **Middle East**, and the **USA**.

We specialize in providing complete **procurement solutions** for both **onshore and offshore industries**, with a product range spanning from **capital and specialist equipment to daily consumables**.

We offer a wide range of spare parts and components across categories including **Power Transmission, Diesel Engines, Measuring Instruments, Pumps, Compressors, Filters, Separators, Power Heat Exchangers, Expansion Joints, Grabs, Valves, Pneumatic, Hydraulic, and Electrical equipment**, each with a wide variety of subcategories and technical specifications.

With **deep technical expertise** and **trusted long-standing partnerships**, we deliver strategic value and lasting satisfaction in every delivery.

Certified under ISO 9001, we guarantee consistent quality and compliance across all operations.

Mission & Vision

Mission

Our mission is to provide **reliable, end-to-end procurement and supply chain solutions** that empower clients in the marine and offshore sectors to operate efficiently and without disruption.

By leveraging **technical expertise, global sourcing** and our commitment to **quality**, we ensure delivery of the right products at the right time — every time.

Vision

Our vision is to be **the trusted global partner** for integrated procurement and logistics solutions in both onshore and offshore industries, setting the standard for **efficiency, responsiveness, and excellence** in every delivery.

Our Values

✓ Technical Expertise

Our **in-depth knowledge** of equipment, systems and supply chains enables us to provide **smart, fast and efficient solutions**.

✓ Responsiveness

We act fast and meet urgent demands with **precision and care**.

✓ Quality

We maintain **strict quality standards** delivering trusted, quality products that **meet industry requirements**.

✓ End-to-End Service

From procurement to final delivery, **we manage the entire process** seamlessly, ensuring efficiency and peace of mind for our clients.

Our Products

We support operations with an **extensive portfolio of spare parts**, covering all major machinery categories and subcategories listed below.

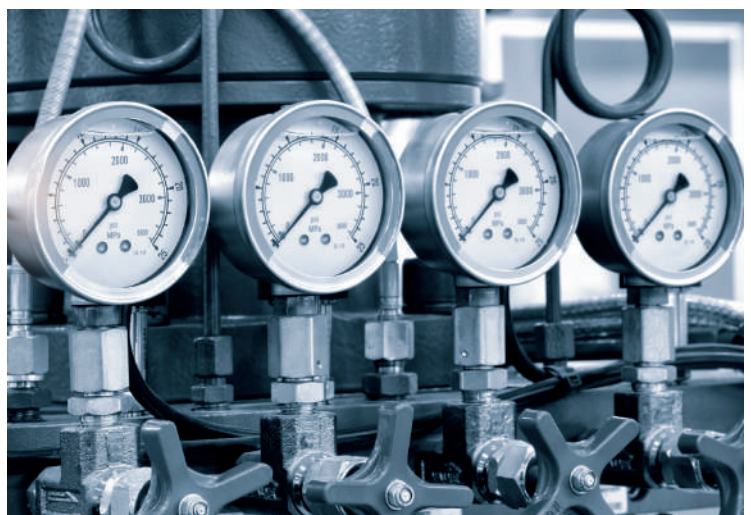

POWER TRANSMISSION

- Bearings
- Linear Motion
- Belts & Pulleys
- Chain & Sprockets
- Maintenance Products
- Seals
- Motors & Gearboxes
- Couplings & Hubs

MEASURING INSTRUMENTS

- Pressure
- Temperature
- Level
- Test & Calibration Equipment
- Instrument Valves & Manifolds
- Gas Detection
- Environment & Engine Control
- Thermal Imaging

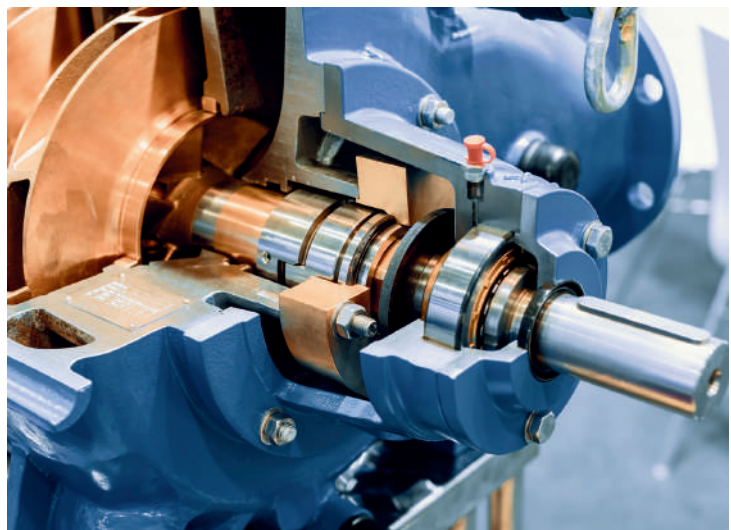

DIESEL ENGINES

- Engine Block & Components
- Pistons & Connecting Rods
- Crankshaft & Camshaft System
- Fuel Injection System
- Air Intake & Exhaust System
- Cooling System
- Lubrication System
- Starting System
- Governor & Control System
- Electrical & Instrumentation
- Gaskets, Seals & Fasteners
- Maintenance & Service Tools

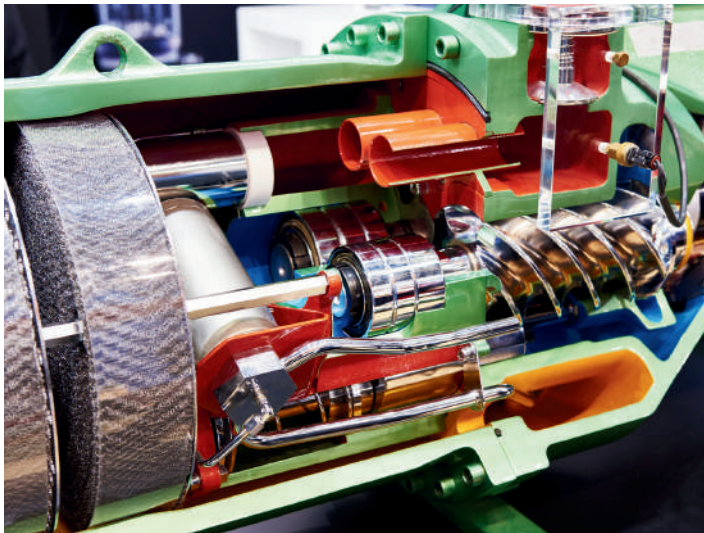

PUMPS

- Fuel Pumps
- Lubricating Oil Pumps
- Cooling Water Pumps
- Ballast & Bilge Pumps
- Firefighting & Emergency Pumps
- Hydraulic & Steering System Pumps
- Boiler & Condensate Pumps
- Sanitary & Fresh Water Pumps
- Cargo & Transfer Pumps

COMPRESSORS

- Reciprocating compressors
- Screw compressors
- Centrifugal compressors
- Rotary vane compressors
- Scroll compressors

FILTERS & STRAINERS

- Cartridge filters
- Spin-on filters
- Bag filters
- Screen / mesh strainers
- Magnetic filters
- Centrifugal filters
- Automatic self-cleaning filters

SEPARATORS

Fuel Oil Purifiers

- Heavy Fuel Oil purifiers
- Marine Diesel Oil purifiers
- Marine Gas Oil purifiers
- Combined fuel oil separators

Lubricating Oil Purifiers

- Main engine lube oil purifiers
- Auxiliary engine lube oil purifiers
- Gear oil purifiers

Sludge & Waste Oil Separators

- Sludge treatment units
- Bilge water separators
- Waste oil treatment systems

Freshwater & Others

- Freshwater generators
- Cooling water separators

PLATE HEAT EXCHANGERS

Plate type heat exchangers

- Gasketed
- Brazed
- Semi-welded

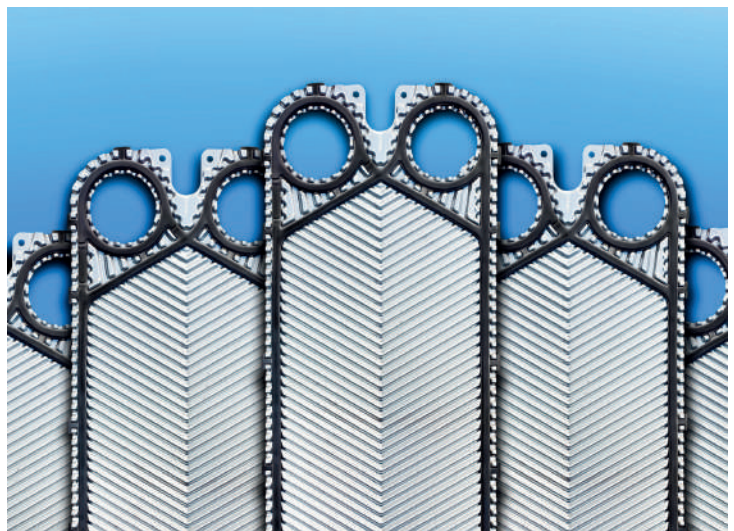

Shell & tube type heat exchangers

- Fixed tube sheet
- U-tube
- Floating head

Spiral type heat exchangers

Coil type heat exchangers

Air-cooled heat exchangers

EXPANSION JOINTS

- Metallic expansion joints
- Rubber expansion joints
- Fabric expansion joints
- Lined expansion joints
- Universal, axial, lateral & angular types

GRABS

- Radio Remote Control Grabs
- Mechanical Double Wired Orange Peel Grab
- Mechanical Double Wired Clamshell Grab
- Mechanical Touch Down Orange Peel Grab
- Mechanical Single Wired Touch Down Grab
- Electro Hydraulic Orange Peel Grab
- Electro Hydraulic Clamshell Grab
- Hydraulic Attachments
- Hopper
- Excavator Bucket

VALVES

- Globe Valves
- Gate Valves
- Butterfly Valves
- Check Valves
- Swing Check Valves
- Safety Relief Valves
- Valves with Screwed Bonnet
- Valves With Remote Control
- Cock and Ball Valves
- Reducing Valves
- "JIS" Valves
- "ANSI" Valves
- Various Valves & Fittings

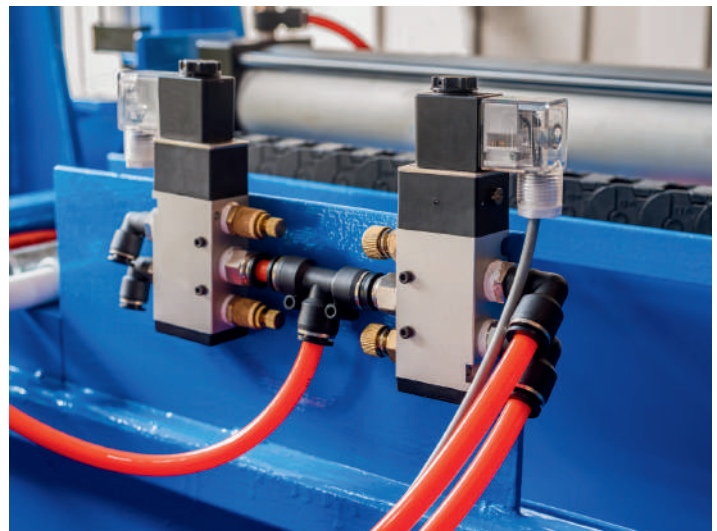

PNEUMATIC SYSTEMS

Air Supply & Control

- Air compressors
- Air dryers & filters
- Air receivers / tanks
- Pressure regulators & relief valves
- Air lubricators & oilers

Pneumatic Actuators

- Cylinder actuators
- Rotary actuators
- Air motors
- Solenoid valves

Pneumatic Accessories

- Air hoses & fittings
- Quick couplings
- Pressure gauges
- Flow control valves
- Filters & strainers

HYDRAULIC SYSTEMS

Hydraulic Control & Valves

- Directional control valves
- Pressure relief valves
- Flow control & proportional valves
- Check valves & non-return valves
- Hydraulic accumulators

Hydraulic Power & Pumps

- Hydraulic power units
- Gear pumps
- Vane pumps
- Piston pumps
- Hydraulic motors

Actuators & Cylinders

- Linear hydraulic cylinders
- Rotary hydraulic actuators
- Steering gear hydraulic cylinders
- Deck machinery cylinders

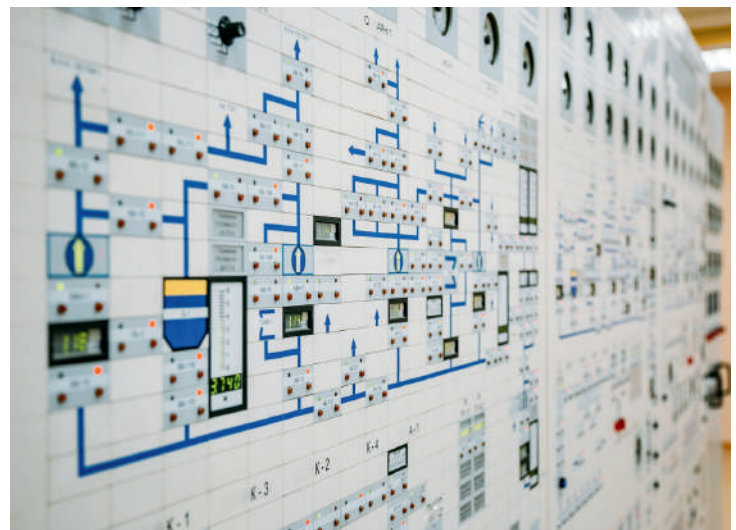

ELECTRICAL EQUIPMENT

Power Generation & Distribution

- Alternators / generators
- Starter motors / cranking motors
- Switchboards & panels
- Circuit breakers & fuses
- Transformers
- Voltage regulators & rectifiers

Engine & Machinery Electrical Components

- Sensors
- Solenoids & relays
- Actuators
- Control units
- Alarm & monitoring devices
- Instrumentation panels

Lighting & Navigation

- Navigation lights
- Deck & engine room lighting
- LED lamps & bulbs
- Signal horns & beacons

Our Services

We deliver **tailored** supply chain and logistics **solutions** to support seamless operations across the **marine and industrial sectors**.

Global Sourcing & Procurement

Access to a wide network of trusted manufacturers and OEM suppliers.

Logistics & Distribution

Reliable, timely and cost-effective shipping solutions worldwide.

Technical Support

Expert guidance on product specifications.

Why Omnium

One-Stop Solution

From daily consumables to capital equipment, covering all operational needs.

Proven Reliability

Long-standing reputation for on-time deliveries and consistent quality.

Technical Know-How

A team of experts who understand the technical demands of marine and industrial sectors.

Global Network

Partnerships across Europe, the Middle East and the USA, ensure quick access to products.

Our Commitment to Maritime Excellence

At **Omnium**, we are committed to keeping vessels moving safely, efficiently and without delay.

With a deep understanding of the maritime industry's demands, we provide **reliable spare parts, technical support and sourcing solutions** tailored to each client's operational needs.

Our goal is to ensure that every ship we serve, remains **operational, compliant and cost-effective**, anywhere in the world.

Driven by **integrity, precision and responsiveness**, we stand by our clients 24/7. Because **in shipping, every hour counts**.
