

VIVAR
SHIP SUPPLY

Making history in ship
supplies for almost 90 years

≈ Vivar Ship Supply at a glance

Vivar Ship Supply is a well known Dutch wholesaler in ship supplies. Located in the Port of Rotterdam, fulfilling worldwide customer needs for 90 years.

Vivar Ship Supply builds and maintains strong customer relationships with ship owners, management companies and shipping agencies. Applying a long term vision and mission.

- ✓ 24/7 on call
- ✓ On time deliveries
- ✓ Quality products from stock
- ✓ Personal approach
- ✓ Value for money

≈ How we work

Quality stock program

To meet customer expectations and requirements Vivar Ship Supply applies a very efficient stock and pricing policy. The modern spacious warehouse offers plenty of room to ensure product availability, constant quality and complete deliveries within any tight deadline.

GUARANTEED deliveries

Vivar Ship Supply offers its customers full service deliveries, quality products at good prices. To stay ahead of competition, the market is being watched continuously. Excellent knowledge about harbour conditions, developing customer demands and product specifics enables Vivar Ship Supply to be your perfect partner in One-Stop-Shopping.

Let us prove it

Vivar Ship Supply has built a strong reputation in meeting any delivery challenge possible. No matter how difficult it can get to find a very specific product or to deliver complete orders in a very short time. Or no matter how difficult it sometimes can be to get the stores on board, we will fix it. Close relationships with manufacturers, extensive product knowledge and use of own means of transport enable Vivar Ship Supply to exceed customer expectations when needed.

Flexibility is a must

We care for your business. Reducing customer's expenses is our cutting edge. At all times Vivar Ship Supply is prepared to go the extra mile. To keep your vessels going, our highly qualified staff will help you out with practical advice and suitable solutions 24/7 – 365 days per year.
