WESTERN SHIPS AGENCY SUSTAINABILITY & ECOVADIS

Corporate social responsibility (SR) refers to responsibility of companies for impact they have on their employees, society, and environment. It is an integral part of every company, whose business activities are based on the principles of sustainability. The Western Shipyard Group is creating value-based organizational culture and advocating equal rights of the employees, it takes care of occupational safety and health of the employees and invests in the development of competencies to promote career development and personal well-being. Please find SR: [WSY SRR 2023.pdf](#)
