

KEEPING YOU ON TIME, COMPLIANT, AND OUT OF PORT WITHOUT DELAY

**SuitXChange: Swap your traditional immersion
suit purchase and servicing model for a
time-saving rental package**

Imagine if...

Instead of waiting in port for your vessel's immersion suits to be serviced, you could instantly swap them for fully compliant, as-new suits? And that you could eliminate your capital investment and enjoy the certainty of a fixed annual rental cost? Moreover, what if you could forget your servicing headaches and leave all the arrangements to a dedicated, expert team?

Launching a revolutionary service model

Following the runaway popularity of our liferaft rental and exchange model, RaftXChange, we are thrilled to bring its sister offering, SuitXChange, to the commercial shipping and cruise sectors. If you are an existing RaftXChange customer, we can ultimately align your rental and servicing arrangements for even greater convenience.

SUITXCHANGE: CHOOSE FROM TWO SERVICE PACKAGES

For cost-conscious customers who don't compromise on safety
(six-year contract)

Suit type	Service intervals	Flag acceptance	Excluded flags
Crewsaver Endurance	Exchanged at port in year 3 with a fully serviced, as-new suit	All flag acceptance	None

Requires a lifejacket - SOLAS approved, MED approved, approved with all SOLAS lifejackets.

A premium product for discerning customers, those on long-term charters (five-year contract)

Suit type	Service intervals	Flag acceptance	Excluded flags
Hansen Protection SeaEco+	Available in a vacuum packed solution on a 3 year service	Norway, Bahamas, Cyprus, Panama, and Portugal **vacuum solution not accepted for Panama, Cayman Islands, Isle of Man, Malta or UK	Barbados, Belgium, Australia, Marshall Islands, Belize, Greece, Germany, France and India

Does not require a lifejacket. Includes a vacuum storage bag - ISO 15027-2:2012, SOLAS approved, complies with the LSA code (specifically the Marine Equipment Directive 1.6b), Transport Canada, Russian Maritime Register of Shipping.
