Why Choose KORSPIL

About Us

Your trusted Ship Supplier Partner since 1981

Established in 1981 at the strategic hub of **Piraeus Port**, **KORSPIL Co.** has built a solid reputation as a trusted partner in the maritime supply industry. **With over four decades of experience**, we specialize in providing high-quality ship supplies, including deck, engine, cabin, electrical, safety stores, tools, and chemicals.

We are particularly known for **our extensive range and technical expertise in electric and pneumatic derusting machines** – a critical category for vessel maintenance and performance.

Our commitment to excellence is underscored by our **ISO 9001:2015 Certification**, ensuring that our clients receive products and services that meet the highest international standards. We pride ourselves on delivering timely and efficient solutions, tailored to the needs of every vessel.

OUR PHILOSOPHY

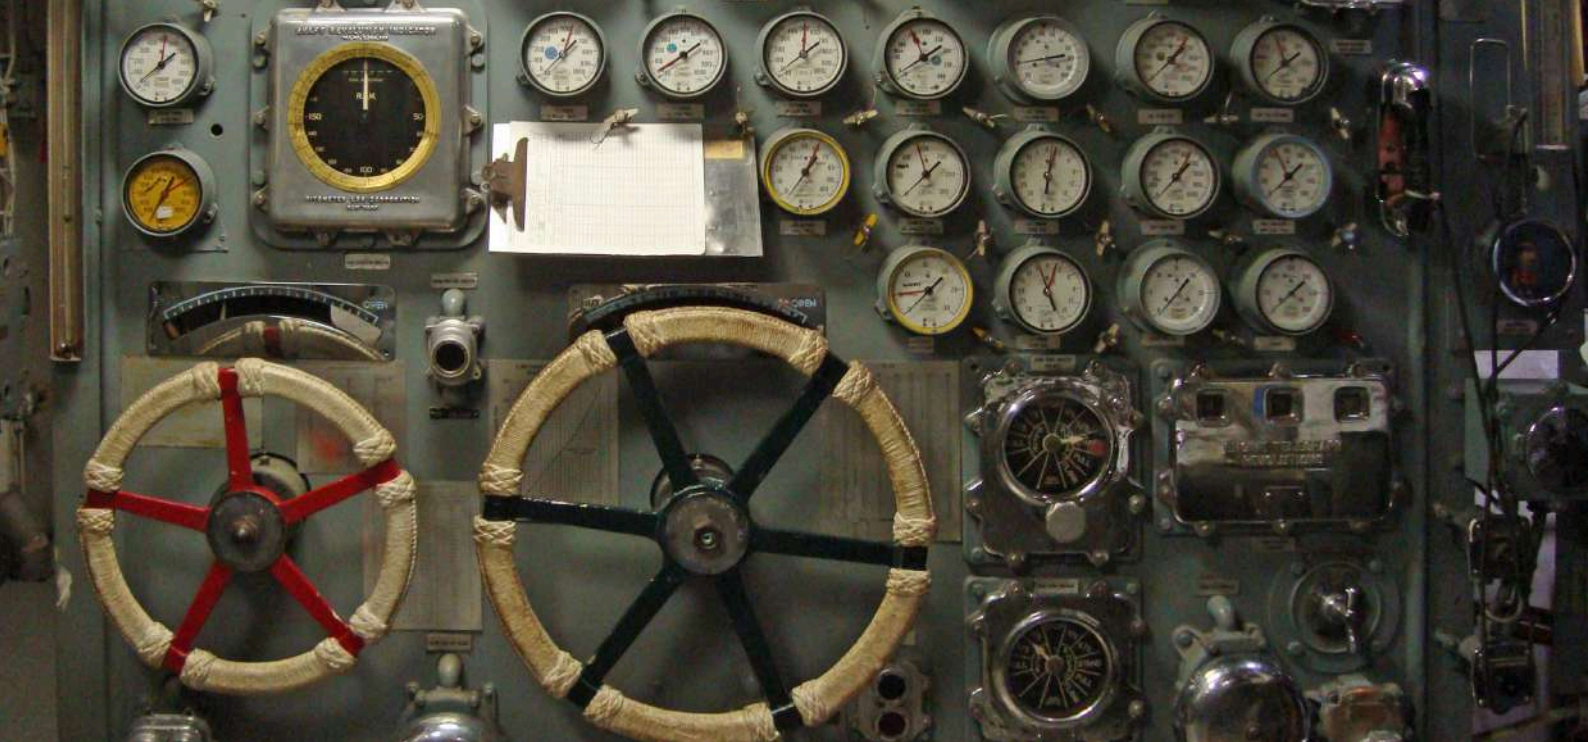

- **Respect for the Customer**
We build long-term relationships by listening carefully and delivering consistently.
- **Integrity and Transparency**
We say what we do – and we do what we say.
- **Quality without Compromise**
We only supply products that meet or exceed international standards.
- **Technical Expertise**
Deep knowledge of marine supplies and specialized equipment.
